**Synopsis 故事大綱 :**

This is a fun retelling of the classic fairytale Puss in Boots, a tale of three forlorn orphaned girls and their clever cat, Puss, who turns their misfortunes around through sheer wit and sharp cunning.

When their father dies, his three daughters Grace, Gabby, and Gloria are left with nothing but their old farmhouse, their (not so) diligent donkey Dillian, and his mysterious cat, Puss. Grace, who inherits Puss, is distraught that her father has left her nothing but his cat, but Puss reveals to her that not only can he talk, but he is in fact MAGIC, and he has a PLAN!

Grace, Gabby, and Gloria all follow Puss' clever plan to trick the foolish Giant Giles and his cronies, deceive the King and his courtiers, and secure their fortunes by making them Princesses!
