This is a world of popcorn market.

With demand comes supply.

Miss Fong comes across a girl standing on top of 88-storey Peng Fei Centre, on the verge of a leap. She wants to do something to her rescue. Before that happens, she runs into a shady young man, some primary school pupils, some street vendors and a food-deliverer-slash-insurance-agent, who all have their own philosophy of life to share.

Popcorn man      Hey, you started this.

Miss Fong          I did. But I wasn't expecting such replies from you.

Popcorn man      You're weird. Are you local?

Miss Fong          Me? (looks up) (silence)

Popcorn man      (looks up) Um, your friend?

Miss Fong          Don't think so.

Popcorn man      A girl, isn't it?

Miss Fong          (looks around) Where're the police ?

Popcorn man      Police ? That's... complicated..... Maybe no one called the police ?

Miss Fong          But they've been around for quite a while.
