Native-speaking English Teacher (NET) Scheme in Primary Schools

Appointment and Re-appointment of NETs in the 2017/18 School Year

Summary

This is to inform schools and NETs currently employed under the NET Scheme in Primary Schools about appointment and re-appointment of NETs in the 2017/18 school year. **Schools are requested to bring this circular memorandum to the attention of their NETs.** This circular memorandum supersedes Education Bureau (EDB) Circular Memorandum No. 47/2016 on the same subject.

Details

Appointment and Re-appointment of NETs

2. Schools and their serving NETs with contracts due to expire at the end of the 2016/17 school year are requested to discuss and reach an initial agreement as to whether they wish to have their contracts renewed for another two years. Early discussion on contract renewal matters would enable NETs to make their own future plans and schools to arrange for recruitment or staff deployment. **ALL schools are requested to return the completed Form A** on “Reply Proforma on Appointment of NETs” to EDB as detailed **in paragraph 17** to facilitate our planning for the recruitment of NETs.

3. Schools may opt to recruit new NETs directly on their own or entrust EDB to recruit NETs on their behalf. Schools opting to recruit their NETs directly may proceed with the recruitment and appointment of NETs according to the relevant requirements stipulated in [EDB Circular No. 5/2005](#). Besides, **schools should ensure that the qualifications of NETs meet the requirements for appointment of NETs in primary schools as set out in the Appendix.** Assessment on non-local qualifications of NETs should be arranged by schools in accordance with [EDB Circular No. 1/2005](#) before offering appointments. **Schools recruiting NETs directly are requested to return the completed Form C** on “Personal Particulars of NETs Recruited Directly by Schools” to EDB as detailed **in paragraph 17**.

4. Schools are reminded that, since the 2009/10 school year, NETs who have not served under the NET Scheme (NET Scheme in Primary Schools / Enhanced NET Scheme in Secondary Schools) before or with a break in service are required to produce documentary evidence of their having / not having been found guilty of criminal offence [e.g. Certificate of No Criminal Conviction (CNCC)] from the countries/ cities where they have resided before they take up an appointment as NET in Hong Kong. Eligible candidates who are not able to

obtain the above-mentioned CNCC since they have been residing in Hong Kong are required to obtain a certificate of statutory declaration from one of the District Offices of the Home Affairs Department certifying that they have not been found guilty of criminal offence before they could be appointed as NETs. Any NETs who have been found providing false information or withholding information willfully in this respect will be disqualified for employment or liable for termination of employment even though they have already assumed duties in schools.

5. With effect from 1 December 2011, the Hong Kong Police Force has launched the Sexual Conviction Record Check (SCRC) scheme which is applicable to prospective employees seeking child-related work or work relating to mentally incapacitated persons in organizations or enterprises (including the NET posts under the NET Scheme in Primary Schools). Given the importance of protecting our students, schools are strongly advised to adopt the SCRC scheme and request prospective NETs to undergo SCRC at the advanced stage of the employment process. Applications for SCRC should be submitted by the prospective employees voluntarily. Schools are reminded that the scheme does not cover overseas sexual conviction record and does not apply to staff working in the same school under continuously renewed contracts without break. Please refer to [EDB Circular Memorandum No. 179/2011](#) for details.

Provision of NETs for Schools

6. A NET is generally provided for every public sector primary school (including special schools with a primary section) operating six classes or more and implementing a mainstream curriculum. Such provision has been extended to cover schools for children with intellectual disabilities (ID schools) implementing an appropriate school-based English Language curriculum as adapted from the English Language Education Key Learning Area Curriculum Guide prepared by the Curriculum Development Council. This adapted curriculum should, as assessed by EDB, have the necessary elements according to the requirements stipulated in EDB's letter of 24 January 2017 on "Development of School-based English Language Curriculum and Provision of Native-speaking English Teachers (NETs) for Schools for Children with Intellectual Disability (ID schools)". For enquiries about the school-based English Language curriculum in ID schools, please contact the Special Educational Needs Section of the Curriculum Development Institute at 2892 5474.

7. Please note that primary schools (including special schools with a primary section) with the number of approved classes falling below six in the 2017/18 school year will normally not be allowed to recruit any new NETs. If the NETs in those schools are serving in the first year of their two-year contract in the 2016/17 school year, they will be allowed to complete the contract up to the end of the 2017/18 school year in their respective schools. In general, schools with fewer than six classes in the 2017/18 school year will not be allowed to renew or extend the two-year contract of their serving NETs unless the number of classes resumes to six or more under special circumstances. Schools with less than six classes will be provided with peripatetic support through the Advisory Teaching Team of the NET Section. These schools will be informed of the arrangements separately in due course.

Retention Incentive

8. With effect from the 2005/06 school year, EDB has introduced a retention incentive to provide additional incentive for serving NETs to continue their service in the NET Scheme in Hong Kong. NETs who have served two years of continuous service and are in the **third and fourth years of continuous service** OR who have served four years of continuous

service and are in the **fifth year of service onwards**, are eligible to apply for receiving a retention incentive of **5% OR 10% of the current base salary** respectively. Under normal circumstances, NETs have to serve continuously in the NET Scheme in order to be eligible for the retention incentive. The incentive is payable to NETs in each school year subject to the school management's confirmation in the annual appraisal that the performance of the NET has been satisfactory. For further details of the retention incentive, schools may refer to [EDB Circular No. 2/2013](#).

Fringe Benefits for NETs

9. Schools are reminded that once the NET's normal place of residence is established as being outside Hong Kong and his/her eligibility for the fringe benefits under the NET Scheme is confirmed, he/she should continue to be eligible for the fringe benefits when re-appointed continuously unless there are changes in the NET's personal or family particulars such as change of marital status, permanent resident status and children having reached the age of 18, etc., which might affect his/her entitlement. All NETs receiving fringe benefits should report the aforesaid changes to the schools for reassessment of their eligibility for the fringe benefits. Schools are required to remind their NETs of the above requirements and to submit timely applications for fringe benefits when they report for duty to the schools.

Payment of Contract Gratuity

10. Schools should arrange for the payment of contract gratuity for their NETs the soonest possible upon their satisfactory completion of contract. For details of the payment of contract gratuity and the payment of tax before leaving Hong Kong, schools may refer to [EDB Circular No. 4/2012](#).

Appointment for Serving NETs on Completion of Contract

11. For serving NETs who have been recruited through EDB and wish to change to another school on completion of their current contract at the end of the 2016/17 school year, EDB can offer assistance to them to look for a new appointment. **These NETs are requested to return the completed Form B** on "Application of Serving NETs for New Appointment on Completion of Contract" to EDB as detailed **in paragraph 17**. They should note that there is no guarantee that they will be offered an appointment at other schools. If they subsequently fail to obtain a new appointment, they would not be able to return to their original schools.

Duties of NETs

12. NETs should work collaboratively with the English panel in the preparation of teaching materials, curriculum development, organisation of English-related activities and staff development, etc., and act as resource persons for the schools. Schools should carefully review the job description and duty lists of the NETs and make sure that they are gainfully deployed. Please make reference to the Deployment Guidelines issued by the NET Section which are available on the EDB webpage at www.edb.gov.hk → Curriculum Development → Resources and Support → [Native-speaking English Teacher \(NET\) Scheme](#) or seek advice from the Advisory Teaching Team at 3549 8331.

Terms and Conditions of Service

13. The specimen letter of appointment together with the memorandum on the terms and conditions of service for appointment as teachers under the NET Scheme in Primary Schools is subject to annual review. A specimen letter of appointment, its accompanying sample memorandum on the terms and conditions of service as well as a sample letter of acceptance are available at the EDB webpage for schools' reference. In this connection, schools are advised to check for the latest version of the aforesaid documents, which is expected to be available in May 2017, on the EDB webpage before signing a formal contract with their serving / new NETs.

Employment Visa

14. Before signing a formal contract with NETs coming from abroad, schools are advised to remind them that the offer for employment is conditional upon their having obtained an employment visa allowing them to work for the school as specified in the Letter of Appointment and to stay in Hong Kong for an initial period of at least one year. The visa should be obtained, prior to their arrival in Hong Kong, from the Director of Immigration of the Government of the Hong Kong Special Administrative Region.

15. For NETs who are already working in Hong Kong, the offer of employment is conditional upon their having obtained, prior to the commencement of the contract, an approval from the Director of Immigration of the Government of the Hong Kong Special Administrative Region allowing them to work for the school as specified in the Letter of Appointment and to continue to stay in Hong Kong for at least one year. NETs holding an employment visa for the previous school are still required to seek prior approval from the Immigration Department for change of employment before they report for duty in the new school. In any case, schools should ensure that their NETs have obtained a valid employment visa before reporting for duty.

Teacher Registration

16. Section 42 of the Education Ordinance stipulates that any person who teaches in a school has to be either a registered teacher (RT) or a permitted teacher (PT). Therefore, schools should ensure that their NETs have undergone the registration formalities in compliance with the law. The NETs should apply to be RTs or the schools should apply for the NETs to be PTs prior to their assumption of duties. For enquiries in this regard, please contact the Teacher Registration Team of EDB at 3467 8281 or 3467 8282.
