Dear Principal,

Native-speaking English Teacher (NET) Scheme in Primary Schools

Thank you for your support to NET Scheme in Primary Schools in the 2023/24 school year. Further to the issuance of Education Bureau (EDB) Circular Memorandum (CM) No. 63/2024 on Appointment and Re-appointment of NETs in the 2024/25 School Year in March 2024, your kind attention is drawn to the following issues regarding NET appointment and NET Scheme.

Reply Proforma of Teachers Employed under NET Scheme in Primary Schools

Schools signing a new contract or renewing the contract with their NETs for the 2024/25 school year are requested to complete the reply proforma, i.e. Attachment C to EDB Circular No. 7/2013 on "NET Scheme in Primary Schools - Letter of Appointment", and return it to NET Administration Team of EDB by 13 September 2024 for record updating. For contracts with commencement date after the start of the 2024/25 school year, schools should send in the completed proforma to EDB within two weeks after NET reports for duty.

Teacher Registration

Section 42 of the Education Ordinance (Cap 279) stipulates that any person who teaches in a school has to be either a registered teacher (RT) or a permitted teacher as appropriate. Therefore, schools should ensure that their NETs have applied to be RTs or schools have applied for teaching permits for their NETs prior to their assumption of duties. If (i) EDB refuses to register NET as an RT or to issue a permit for him/her to teach; or (ii) the teacher registration/permit to teach is cancelled, NET is not allowed to teach in the school and all other schools. For enquiries, please contact the Teacher Registration Team of EDB at 3467 8281 or 3467 8282.

Measures for Strengthening the Protection of Students

To safeguard the well-being of students, EDB has all along been working closely with schools to create a caring and safe learning environment for students. Schools as employers should guard against improper persons to be appointed as teachers by adopting a stringent selection process and strengthening the management on appointment and related matters. In this connection, schools must observe relevant employment procedures to make an informed decision on selecting suitable employees in order to ensure students' safety. For details, please refer to EDB Circular No. 14/2023 dated 21 August 2023 and the Circular Letter on Teacher Registration and Appointment Matters issued on 12 June 2024.

Sexual Conviction Record Check (SCRC) Scheme

With effect from 1 December 2011, the Hong Kong Police Force has launched the Sexual Conviction Record Check (SCRC) Scheme which is applicable to prospective employees seeking child-related work or work relating to mentally incapacitated persons in organisations or enterprises (including NET posts under NET Scheme in Primary Schools). Given the importance of protecting our students, schools should request prospective NETs to undergo SCRC at the advanced stage of the employment process. Schools are reminded that the scheme does not cover overseas sexual conviction record and does not apply to staff working in the same school under continuously renewed contracts without break. For details, please refer to EDB Circular No. 14/2023 dated 21 August 2023.

Employment Visa

Before signing a formal contract with NETs coming from abroad, schools are advised to remind them that the offer of employment is conditional upon their having obtained an employment visa allowing them to work for the school as specified in the Letter of Appointment and to stay in Hong Kong for an initial period of at least one year. The visa should be obtained, prior to their arrival in Hong Kong, from the Director of Immigration of the Government of the Hong Kong Special Administrative Region (HKSAR).

For NETs who are already working in Hong Kong, the offer of employment is conditional upon their having obtained, prior to the commencement of the contract, an approval from the Director of Immigration of the Government of the HKSAR allowing them to work for the school as specified in the Letter of Appointment and to continue to stay in Hong Kong for at least one year. NETs holding a valid employment visa are still required to seek prior approval from the Immigration Department for change of employment before they report for duty in the new school. Schools should ensure that their NETs have obtained a valid employment visa before reporting for duty. For enquiries, please contact the Immigration Department (Telephone: 2824 6111, Fax: 2877 7711, Website: <https://www.immd.gov.hk/>).

Letter of Appointment

Supervisors are requested to make reference to the latest version of the specimen letter of appointment for NETs, its accompanying sample Memorandum on the Terms and Conditions of Service (MOCS) for Appointment as Teachers under NET Scheme in Primary Schools and sample letter of acceptance available on EDB webpage on NET Scheme (www.edb.gov.hk → Curriculum Development → Resources and Support → NET Scheme → NET Appointment Matters) when preparing letters offering appointment to NETs.

The normal period of appointment for a NET is two years. Regarding the contract period for the 2024/25 school year, the appointment for NETs newly appointed under NET Scheme in Primary Schools will normally start on 16 August and end on 15 August two years later. Any subsequent renewal of contract for these teachers should also start on 16 August and end on 15 August. Please also note that only under special circumstances may the school extend the contract period of NET for one year. For details, please refer to relevant clauses on "Further Employment" in the MOCS.

Application for Fringe Benefits

A NET whose normal place of residence is established as being outside Hong Kong will be eligible for applying for the fringe benefits (including Special Allowance, Passage/Baggage Allowance and Medical Allowance) provided under NET Scheme in Primary Schools. In this connection, schools are kindly reminded to **submit timely applications** on behalf of their NETs. Please refer to **Annex 1** on the Notes for Applications for Payment of Contract Gratuity, Fringe Benefits and Retention Incentive for your reference and action.

For NETs claiming passage reimbursement, schools are reminded to strictly follow the procedures in EDB Circular No. 4/2013 "Procurement Procedures in Aided Schools" and the Guidelines on Procurement Procedures in Aided Schools (June 2023) mentioned therein when using Government subventions to procure stores and services. The procurement arrangement, including obtaining quotations and clear segregation of staff duties for different stages of the procurement process, should be observed with proper documentation for seeking reimbursement as appropriate.

Training Requirements for Newly-joined Teachers

Starting from the 2020/21 school year, full-time teachers appointed to teach in public sector schools (including government, aided and caput schools) or schools under the Direct Subsidy Scheme for the first time are required to complete 30 hours of core training and not less than 60 hours of elective training based on individual professional development needs within the first three years of service. For details, please refer to EDB Circular Memorandum No. 155/2023 on "Training Requirements for Newly-joined Teachers" and EDB webpage on "Training Programme for Newly-joined Teachers".

Appointment of Temporary NET

Under special circumstances, schools not being able to find a suitable teacher to fill the vacant NET post after considering all the candidates referred by EDB and/or conducting their own recruitment exercise may apply to their respective Senior School Development Officer for permission to appoint a temporary NET. Schools are reminded that such employment should be a temporary measure only. For details, please refer to EDB webpage: www.edb.gov.hk → Curriculum Development → Resources and Support → NET Scheme → NET Appointment Matters → Appointment of Temporary NET.
