FOREWORD

The Fund

The Grant Schools Provident Fund (the Fund) is governed by the Grant Schools Provident Fund Rules (Fund Rules) made under section 85 of the Education Ordinance (Cap. 279). The Fund is a defined contribution retirement scheme established to provide for payments upon retirement, resignation, dismissal, termination of contract or death of contributors. Contributors refer to teachers in grant schools and also, with effect from 19 May 2000, teachers in Direct Subsidy Scheme (DSS) schools who contribute to the Fund.

Board of Control

The complete administration and control of the Fund, subject to the Fund Rules, is vested in the Board of Control, the composition of which is as follows:

Chairman : nominated by the Grant Schools Council

Vice-chairman : nominated by the Grant Schools Council out of the 8 additional members

Permanent Secretary for Education or his representative

Director of Accounting Services or his representative

Eight additional members:

- (a) 2 nominated jointly by contributors who are members of the staff of Roman Catholic boys schools in Hong Kong,
- (b) 2 nominated jointly by contributors who are members of the staff of Roman Catholic girls schools in Hong Kong,
- (c) 2 nominated jointly by contributors who are members of the staff of the Diocesan Boys' School, the Diocesan Girls' School, St. Paul's Co-educational College, St. Paul's College and St. Mark's School,
- (d) 1 nominated jointly by contributors who are members of the staff of Ying Wa College, Ying Wa Girls' School and the Methodist College, and
- (e) 1 nominated jointly by contributors who are members of the staff of St. Stephen's Girls' College and Heep Yunn School.

Meetings of the Board of Control

The Board of Control holds an annual general meeting to receive and consider the annual financial statements of the Fund and to declare the annual dividend for contributors. It also holds other meetings during the year as and when required. Five members form a quorum. All matters arising before any meeting of the Board of Control are determined by a majority of the members present and voting thereon.

Contributions and Donations

Contributors' contributions and the matching donations from the Government and DSS schools are made monthly to the Fund according to the following scale as a percentage of a contributor's basic salary, including any approved allowance:

<i>No. of years of continuous contributory service</i>	<i>Teacher's contribution</i> %	<i>Donations from the Government and DSS schools</i> %
Less than 10	5	5
10 to less than 15	5	10
15 or more	5	15

Benefits

Contributors are entitled to a lump sum payment when they cease to be contributors to the Fund. Subject to certain exceptions laid down in the Fund Rules, the amount of payment is determined as follows:

<i>Length of contributory service</i>	<i>Benefits</i>
10 years or more	All accumulated contributions and donations from the Government and DSS schools and dividends thereon.
5 years to less than 10 years	All accumulated contributions and dividends thereon and 10% of the donations from the Government and DSS schools and dividends thereon for each complete year of contributory service.
Less than 5 years	All accumulated contributions and dividends thereon.

Statement of Provident Fund Account Balance

Each contributor is provided by the Treasurer of the Fund with a statement of provident fund account in September and March each year. These statements show the balance standing to the credit of each contributor's account at the previous 31 August and 28 February (or 29 February as appropriate) respectively. The March statement

incorporates the latest annual dividend declared by the Board of Control for the year ended the previous 31 August. The supervisor of each school also maintains a provident fund account for each contributor in his school and these accounts are available for inspection by contributors.

Payments to Outgoing Contributors

Except for the peak months of August and September, payments of benefits to the outgoing contributors are made by the Fund within 23 working days from the date of receipt of the outgoing contributor's application by the Permanent Secretary for Education or the effective date of ceasing to be a teacher, whichever is later. Payments are made by the Fund within 28 working days for the two peak months. Both pledges are subject to the condition that the withdrawal application is correctly completed by the outgoing contributor.

Investment Management

The day-to-day management of the Fund is the responsibility of the Treasurer who is appointed by the Director of Accounting Services under rule 6(1) of the Fund Rules. The investment functions are the responsibility of the Board of Control which formulates the investment strategies of the Fund within the investment framework approved by the Financial Secretary. All sum considered by the Board of Control to be surplus to the normal cash requirements of the Fund may at the direction of the Board of Control be invested by the Treasurer as well as external investment managers who are appointed by the Board of Control with the approval of the Financial Secretary.

An Investment Sub-committee is formed by the Board of Control and meets on a quarterly basis to:

- (a) review the investments made and to verify that they were made within the approved framework and strategy of the Fund;
- (b) interview investment managers regarding their performance and obtain their views on various financial markets; and
- (c) discuss and formulate investment strategies for recommendations to the Board of Control.

Accounts and Audit

Apart from other duties described in the Fund Rules, the Treasurer maintains proper accounts and records of all transactions of the Fund and prepares the annual financial statements for audit by the Director of Audit. The audited financial statements together with the auditor's report are placed before the Board of Control at the annual general meeting.

CHAIRMAN'S REPORT

(Amounts expressed in millions of Hong Kong dollars, unless otherwise stated)

Dividend

I am pleased to report that at the annual general meeting held on 3 February 2026, the Board of Control declared a guaranteed dividend of 5% for contributors for the year ended 31 August 2025.

Contributors' Account

During the year, 94 new contributors joined the Fund and 106 withdrew from it. These figures include 80 transfers in from and 28 transfers out to the Subsidized Schools Provident Fund. The total number of contributors decreased by 12 or 1.08% to 1,094. The balance of the contributors' account increased by HK\$11.2 million or 0.37% to HK\$3,067.8 million. The service profile of contributors who withdrew from the Fund during the year was as follows:

	<u>2025</u>	<u>2024</u>
Below 10 years	32%	25%
10 to 15 years	10%	6%
Above 15 years	58%	69%

Net Assets and Management Cost

As at 31 August 2025, the net assets of the Fund amounted to HK\$3,870.4 million. The cost of managing the Fund by way of supervision fee paid to Government, fees of investment managers, fees of custodians, investment transaction costs and other operating expenses was HK\$9.9 million – equivalent to 0.26% of the Fund's net assets.

Major Activities of the Board of Control

At the annual general meeting held on 24 January 2025, the Board of Control adopted the annual statement of accounts of the Fund and declared a dividend of 5% for the year ended 31 August 2024.

The Board of Control also approved the following matters during the year ended 31 August 2025:

- (a) the Fund's investment plan for the year;
- (b) the Fund's supervision fee budget for the year; and
- (c) engaging an investment consultant to conduct an interim review on the Fund's investment strategies.

Vote of Thanks

Ms CHENG Kit-yeo, Ivy, Ms CHEUNG Susanna Sau-lan, JP and Ms WONG Pui-yi, Emily ceased to be members of the Board of Control during or at the end of the year. On behalf of the Board of Control, I thank them for their invaluable contributions to the work of the Board of Control in the past year.

Financial Highlights for the Year Ended 31 August 2025

		<u>2025</u>	<u>2024</u>	<u>Changes</u>
Contributors' Account	(a)	3,067.8	3,056.6	+0.37%
Net Assets	(b)	3,870.4	3,563.5	+8.61%
Management Cost (as a percentage of net assets)		9.9 (0.26%)	10.1 (0.28%)	
Reserve Level at year end (%)				
– before the year's dividend [(b)-(a)]/(a) above		26.16	16.58	
– after the year's dividend		20.15	11.03	
Investment Return for the year (%)		13.27	10.51	
Total Dividend Declared (%)		5.00	5.00

Performance Indicator

	<u>2025</u>	<u>2024</u>
Proportion of cases of withdrawal paid within 23 working days for October to July or 28 working days for peak months of August and September	100.00%	100.00%

LAW Kan-chung, Kenneth
Chairman
Board of Control
Grant Schools Provident Fund

GRANT SCHOOLS PROVIDENT FUND

TREASURER'S REPORT FOR THE YEAR ENDED 31 AUGUST 2025

(Amounts expressed in millions of Hong Kong dollars, unless otherwise stated)

1. FINANCIAL STATEMENTS

The financial statements of the Fund have been drawn up in accordance with accounting treatments stipulated in the Fund Rules and accounting principles generally accepted in Hong Kong.

2. FINANCIAL RESULTS

(i) Overall Surplus

The Fund recorded an overall surplus of HK\$447.2 million for the year as follows:

Operating surplus	91.1
Net realised and revaluation gains	<u>356.1</u>
Overall surplus	<u>447.2</u>

(ii) Investment Return

The overall surplus represented an investment return of 13.27% of the Fund for the year (2024: 10.51%).

(iii) Asset Cover/Reserve Level - Before the year's dividend

The financial strength of a defined-contribution scheme is measured in terms of its asset cover (or reserve level), i.e. the adequacy of its assets to meet the benefits payable to scheme members.

The Fund's net assets covered its liability (represented by the year-end balance of the contributors' account before provision for the year's dividend) by 1.26 times, providing a reserve level of 26.16% as follows:

Net Assets	(a)	3,870.4
Less: Contributors' Account (before the year's dividend)	(b)	<u>3,067.8</u>
Reserve	(c)	<u>802.6</u>
Asset Cover	(a)/(b)	1.26 times (2024: 1.17 times)
Reserve Level	(c)/(b)	26.16% (2024: 16.58%)

3. DIVIDEND CALCULATION FOR THE YEAR

The Board of Control has agreed to determine each year's annual dividend on the basis of the level of reserve held by the Fund at year end and the investment return actually achieved on the Fund's assets during the year by way of a dividend formula.

The dividend formula comprises two components:

$$\langle \text{----- (a) -----} \rangle \quad \langle \text{----- (b) -----} \rangle \\ (\text{Reserve Level} - 40\%) \div (1 + 40\%) + (\text{Fund Return} \times \text{Adjusted Reserve Level})$$

where Reserve Level refers to Pre-dividend Reserve Level and the total dividend is subject to a minimum of 5%.

- (a) provides for releasing the excess over the target Pre-dividend Reserve Level of 40%. This component will be zero if the Reserve Level is 40% or less.
- (b) provides for releasing a portion of investment return based on the Reserve Level. If the Reserve Level is 40% or less, then the Adjusted Reserve Level is simply the Reserve Level. If the Reserve Level is above 40%, then the Adjusted Reserve Level is 40%.

The dividend formula comes up with a dividend rate of 3.47%. Since the calculated annual dividend is below 5%, the dividend for this year shall be the guaranteed 5%. The dividend calculation has been audited by the Director of Audit.

4. DECLARATION OF THE GUARANTEED DIVIDEND AND TRANSFER FROM THE RESERVE FUND

I recommend that the Board of Control:

- (a) transfer a sum of HK\$62.3 million from the Reserve Fund to the Income and Expenditure Account in accordance with rule 11(3) of the Fund Rules, and
- (b) declare a guaranteed dividend of HK\$153.4 million out of the Income and Expenditure Account which will be distributed as follows:
 - (i) a credit of 5% in respect of each contributor's account which is open for the entire financial year commencing 1 September 2024 as the guaranteed dividend in accordance with rule 12(1), and
 - (ii) a credit of pro rata dividend in respect of each contributor's account which is not open for the entire financial year commencing 1 September 2024 in accordance with rule 14.

The above appropriations have been incorporated in the financial statements.

5. ASSET COVER / RESERVE LEVEL - After the year's dividend

After provision for the total dividend of 5% for the year, the asset cover of the Fund stood at 1.20 times and the level of reserve at 20.15% as follows:

Net Assets	(a)	3,870.4
Less: Contributors' Account (after the year's dividend):		
Contributors' Account		3,067.8
Provision for the year's dividend		153.4
	(b)	<u>3,221.2</u>
Reserve	(c)	<u>649.2</u>
Asset Cover	(a)/(b)	1.20 times (2024: 1.11 times)
Reserve Level	(c)/(b)	20.15% (2024: 11.03%)

6. INVESTMENT OBJECTIVE AND CRITERIA

The Fund's investment objective is to maximise the recurrent and capital returns on the Fund assets and at the same time observe the principle of prudence.

The Fund is governed by an investment framework approved by the Financial Secretary. The framework sets down broad limits for various classes of investment and defines the quality or credit rating of individual types of securities permitted for investment. All investment decisions of the Fund are made within this framework.

7. INVESTMENT RESPONSIBILITIES

Each year the Board of Control approves an annual investment plan consistent with the Fund's investment objective. The investment performance of the Fund is then monitored through the Investment Sub-committee which meets on a quarterly basis to review investment reports prepared by the Treasurer and to interview the Fund's external investment managers.

Investment of funds is the responsibilities of the Treasurer and the Fund's external investment managers. The Treasurer has the additional responsibility of providing investment guidelines to the investment managers and, with the assistance of the custodians, ensuring that their activities are in compliance with these guidelines.

8. INVESTMENTS

As at 31 August 2025, the Fund's investment portfolios amounted to HK\$3,861.7 million of which HK\$2,953.6 million or 76.48% was placed under the management of external investment managers. The distribution of the investments in proportion terms was as follows:

<u>Investments</u>	<u>Managed by Treasurer</u> %	<u>Managed by Investment Managers</u> %	<u>Overall</u> %
Equity securities listed in Hong Kong	—	17.79	17.79
Debt securities denominated in Hong Kong dollar	—	11.37	11.37
Hong Kong dollar fixed deposits	8.24	—	8.24
Equity securities listed outside Hong Kong	—	32.65	32.65
Debt securities denominated in currencies other than Hong Kong dollar	—	14.45	14.45
Fixed deposits denominated in currencies other than Hong Kong dollar	15.28	—	15.28
Call deposits and balances with custodians denominated in currencies other than Hong Kong dollar	—	0.21	0.21
Derivative financial instruments			
- assets	—	0.09	0.09
- liabilities	—	(0.08)	(0.08)
	23.52	76.48	100.00

The Fund's external investment managers were as follows:

First Sentier Investors (Hong Kong) Limited
 Schroder Investment Management (Hong Kong) Limited
 State Street Global Advisors Asia Limited
 Wellington Management Company LLP

The ten single largest securities holdings in the Fund's investment portfolios were:

Equities

Tencent Holdings Limited	89.6
NVIDIA Corporation	74.7
Microsoft Corporation	68.9
Alibaba Group Holding Ltd	68.2
Apple Inc.	62.7
HSBC Holdings plc	60.0
Alphabet Inc.	41.2
AIA Group Limited	31.6
Xiaomi Corp	28.7

Debt Securities

United States Treasury	4.25%	15/1/2028	28.1
------------------------	-------	-----------	------

9. AUDITED FINANCIAL STATEMENTS

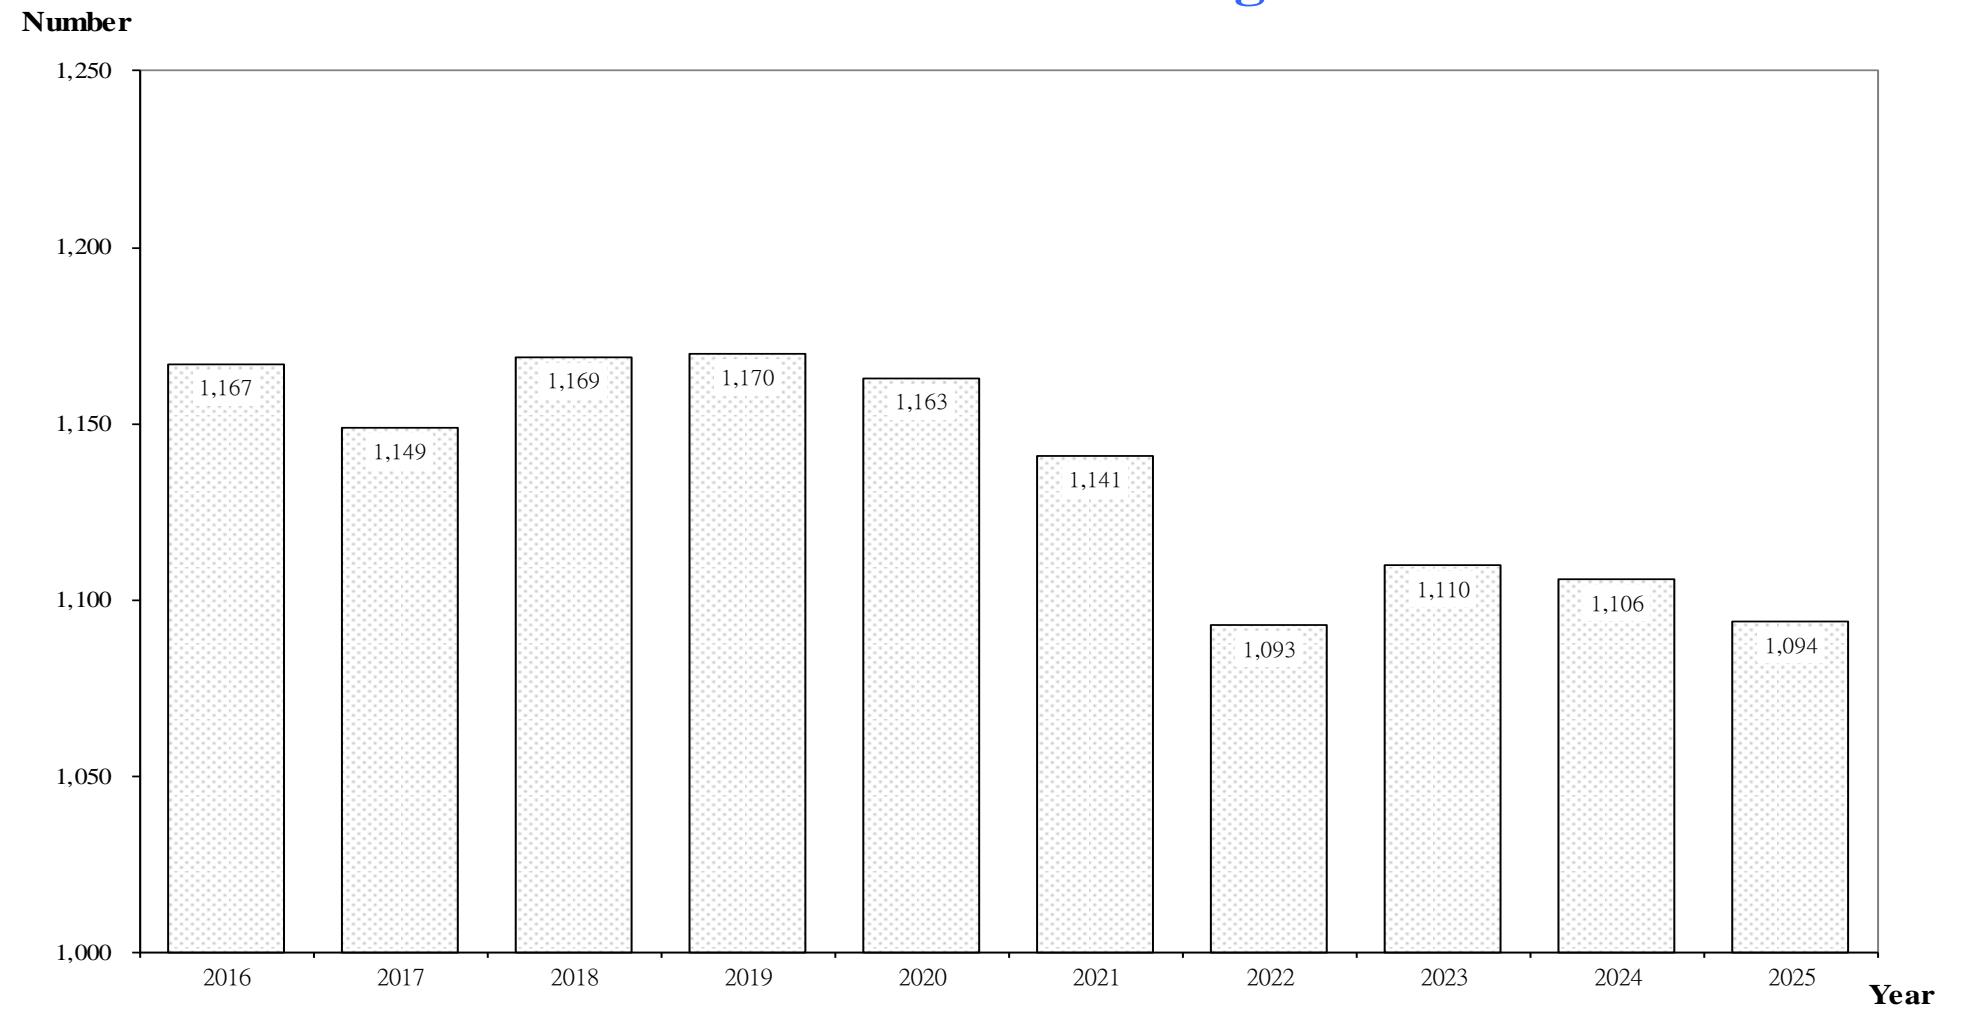

The financial statements of the Fund for the year ended 31 August 2025 have been audited by the Director of Audit. The audited financial statements together with the auditor's report will be placed before the Board of Control at the annual general meeting to be held on 3 February 2026.

Report of the Director of Audit

Audit Commission
The Government of the Hong Kong Special Administrative Region

Independent Auditor's Report To the Board of Control, Grant Schools Provident Fund

Opinion

I certify that I have audited the financial statements of the Grant Schools Provident Fund set out on pages 24 to 48, which comprise the balance sheet as at 31 August 2025, and the income and expenditure account, reserve fund, statement of changes in net assets available for benefits and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In my opinion, the financial statements of the Grant Schools Provident Fund are prepared, in all material respects, in accordance with rule 15(1) of the Grant Schools Provident Fund Rules made under section 85 of the Education Ordinance (Cap. 279) and the accounting policies set out in note 2 to the financial statements.

Basis for opinion

I conducted my audit in accordance with rule 15(2) of the Grant Schools Provident Fund Rules and the Audit Commission auditing standards. My responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of my report. I am independent of the Grant Schools Provident Fund in accordance with those standards, and I have fulfilled my other ethical responsibilities in accordance with those standards. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Treasurer, Grant Schools Provident Fund for the financial statements

The Treasurer, Grant Schools Provident Fund is responsible for the preparation of the financial statements in accordance with rule 15(1) of the Grant Schools Provident Fund Rules and the accounting policies set out in note 2 to the financial statements, and for such internal control as the Treasurer, Grant Schools Provident Fund determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Treasurer, Grant Schools Provident Fund is responsible for assessing in conjunction with the Board of Control, Grant Schools Provident Fund the ability of the Grant Schools Provident Fund to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Audit Commission auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Audit Commission auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Grant Schools Provident Fund's internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Treasurer, Grant Schools Provident Fund; and

- conclude on the appropriateness of the Treasurer, Grant Schools Provident Fund's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Grant Schools Provident Fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Grant Schools Provident Fund to cease to continue as a going concern.

I communicate with the Treasurer, Grant Schools Provident Fund regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

GRANT SCHOOLS PROVIDENT FUND
NOTES TO THE FINANCIAL STATEMENTS
(Amounts expressed in thousands of Hong Kong dollars, unless otherwise stated)

1. LEGISLATION

The Grant Schools Provident Fund (the Fund) is a retirement scheme governed by the Grant Schools Provident Fund Rules (Fund Rules) made under section 85 of the Education Ordinance (Cap. 279).

2. MATERIAL ACCOUNTING POLICIES

(a) Financial reporting framework

The Fund has adopted a financial reporting framework incorporating the requirements of the Fund Rules and applicable requirements of HKFRS Accounting Standards if not contrary to the Fund Rules. HKFRS Accounting Standards is a collective term that includes all applicable individual Hong Kong Financial Reporting Standards (HKFRSs), Hong Kong Accounting Standards and Interpretations as issued by the Hong Kong Institute of Certified Public Accountants (HKICPA). Material accounting policies adopted by the Fund are set out below.

The HKICPA has issued certain new or amended HKFRS Accounting Standards that are first effective or available for early adoption for the current accounting period of the Fund. Note 2(c) provides information on the changes, if any, in accounting policies resulting from initial application of these developments to the extent that they are relevant to the Fund for the current and prior accounting periods reflected in these financial statements.

(b) Basis of preparation of the financial statements

The measurement basis used in the preparation of the financial statements is historical cost except that equity and debt securities managed by the Fund's external investment managers (note 18(a)) and derivative financial instruments are measured at fair value as explained in the accounting policies set out in note 2(d).

The preparation of financial statements in conformity with the financial reporting framework (note 2(a)) requires management to make judgements, estimates and assumptions that affect the application of policies and the reported amounts of assets, liabilities, income and expenditure. The estimates and associated assumptions are based on experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis for making judgements about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There are no critical accounting judgements involved in the application of the Fund's accounting policies. There are also no key assumptions concerning the future, and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities in the next year.

(c) Changes in accounting policies

The HKICPA has issued certain new or amended HKFRS Accounting Standards that are first effective for the current accounting period of the Fund. There have been no changes to the accounting policies applied in these financial statements for the years presented as a result of these developments.

The Fund has not applied any new standard or interpretation that is not yet effective for the current accounting period (note 20).

(d) Financial assets and financial liabilities

(i) Initial recognition and measurement

The Fund recognises financial assets and financial liabilities on the date it becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial instruments are recognised on trade date, the date on which the Fund commits to purchase or sell the instruments.

At initial recognition, financial assets and financial liabilities are measured at fair value plus or minus, in the case of a financial asset or financial liability not subsequently measured at fair value, transaction costs that are directly attributable to the acquisition of the financial assets or the issue of the financial liabilities. Transaction costs of financial instruments subsequently measured at fair value are expensed immediately at initial recognition.

(ii) Basis of recognition of gains or losses

The Fund has adopted the requirements of Fund Rule 11 to recognise revaluation gains or losses arising from changes in fair value and realised gains or losses on derecognition of financial instruments in the reserve fund (see note 2(d)(iii) and (v)). This is different from the accounting treatment required under HKFRS 9 "Financial Instruments" where such gains or losses are recognised in the income and expenditure account.

(iii) Classification and subsequent measurement

Financial instruments measured at fair value

These comprise equity and debt securities managed by the Fund's external investment managers (note 18(a)), and derivative financial instruments. They are subsequently measured at fair value. In accordance with Fund Rules 11(1)(a)(iv) and 11(1)(b)(iii), changes in the fair value are recognised as revaluation gains or losses in the reserve fund in the period in which they arise.

Derivative financial instruments used by the Fund to manage its risks associated with foreign currency fluctuations do not qualify for hedge accounting. They are presented as assets when the fair value is positive and as liabilities when the fair value is negative.

Financial assets measured at amortised cost

These comprise cash at banks, deposits with banks and other financial institutions, and receivables and other assets. They are held for the collection of contractual cash flows which represent solely payments of principal and interest. They are subsequently measured at amortised cost using the effective interest method. The measurement of loss allowances for these financial assets is based on the expected credit loss model as described in note 2(d)(vii).

The effective interest method is a method of calculating the amortised cost of a financial asset or a financial liability and of allocating and recognising the interest income or interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial asset or financial liability to the gross carrying amount of the financial asset or to the amortised cost of the financial liability. When calculating the effective interest rate, the Fund estimates cash flows by considering all contractual terms of the financial instrument but does not consider the expected credit losses. The calculation includes all fees received or paid between parties to the contract that are an integral part of the effective interest rate, transaction costs and all other premiums or discounts.

Financial liabilities measured at amortised cost

These comprise payables and other liabilities. They are subsequently measured at amortised cost using the effective interest method.

Reclassification

The Fund reclassifies a financial asset when and only when it changes its business model for managing the assets. A financial liability is not reclassified.

(iv) Fair value measurement

The Fund measures equity and debt securities managed by the Fund's external investment managers (note 18(a)) and derivative financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either (a) in the principal market for the asset or liability, or (b) in the absence of a principal market, in the most advantageous market for the asset or liability; and the Fund has access to these markets at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

The Fund uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. The Fund measures fair values using the following fair value hierarchy that reflects the significance of inputs used in making the measurements:

Level 1 – fair values are quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 – fair values are determined with inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3 – fair values of financial instruments are determined with inputs that are not based on observable market data (unobservable inputs).

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Fund determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level of input that is most significant to the fair value measurement as a whole) at the reporting date.

(v) Derecognition

A financial asset is derecognised when the contractual rights to receive the cash flows from the financial asset expire, or where the financial asset together with substantially all the risks and rewards of ownership have been transferred.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

Realised gains and losses are recognised in the reserve fund on derecognition in accordance with Fund Rules 11(1)(a)(i) and 11(1)(b)(i).

(vi) Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

(vii) Impairment of financial assets

For financial assets measured at amortised cost, the Fund measures the expected credit losses to determine the loss allowance required to be recognised. Financial assets measured at fair value are not subject to the expected credit loss assessment.

Expected credit losses are a probability-weighted estimate of credit losses. They are based on the difference between the contractual cash flows due in accordance with the contract and the cash flows that the Fund expects to receive, discounted at the effective interest rate. They are measured on either of the following bases:

- 12-month expected credit losses (for financial instruments for which there has not been a significant increase in credit risk since initial recognition): these are losses that are expected to result from possible default events within the 12 months after the reporting date; and
- lifetime expected credit losses (for financial instruments for which there has been a significant increase in credit risk since initial recognition): these are losses that are expected to result from all possible default events over the expected life of the financial instruments.

In assessing whether the credit risk of a financial instrument has increased significantly since initial recognition, the Fund compares the risk of default occurring on the financial instrument assessed at the reporting date with that assessed at the date of initial recognition. In making this assessment, the Fund considers that a default event occurs when (i) the borrower is unlikely to pay its credit obligations to the Fund in full; or (ii) the financial asset is 90 days past due. The Fund considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

(e) Cash and cash equivalents

For the purpose of the statement of cash flows, cash and cash equivalents include cash at banks, deposits with banks and other financial institutions and short-term highly liquid investments that are readily convertible to known amounts of cash and subject to an insignificant risk of changes in value, having been within three months of maturity when placed or acquired.

(f) Contributions and donations

Contributions are received from contributors and donations are received from the Government and Direct Subsidy Scheme (DSS) schools. Contributions and donations are recognised on an accrual basis.

(g) Revenue recognition

(i) Interest income

Interest income is recognised in the income and expenditure account on an accrual basis, using the effective interest method.

(ii) Dividend income

Dividend income from equity securities is recognised in the income and expenditure account when the share price is quoted ex-dividend.

(iii) Other income

Other income is recognised in the income and expenditure account on an accrual basis.

(h) Foreign currency translation

Foreign currency transactions during the year are translated into Hong Kong dollars using the spot exchange rates at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated into Hong Kong dollars at the closing exchange rates at the reporting date. In accordance with Fund Rules 11(1)(a)(iv) and 11(1)(b)(iii), all foreign currency translation differences are recognised as revaluation gains or losses in the reserve fund in the period in which they arise.

3. DEPOSITS WITH BANKS AND OTHER FINANCIAL INSTITUTIONS

	2025	2024
Fixed deposits denominated in:		
– Hong Kong dollar	318,110	263,980
– US dollar	510,139	382,382
– other currencies	79,820	77,713
Call deposits and balances with custodians denominated in currencies other than Hong Kong dollar:		
– US dollar	5,231	6,890
– other currencies	2,868	16,280
	<u>916,168</u>	<u>747,245</u>

4. SECURITIES

(a) Details

	2025	2024
<u>Financial assets measured at fair value</u>		
Equity securities listed in Hong Kong	686,919	484,362
Equity securities listed outside Hong Kong	1,260,815	1,319,197
	1,947,734	1,803,559
Debt securities denominated in:		
– Hong Kong dollar	439,335	419,549
– US dollar	290,869	312,283
– other currencies	267,108	254,798
	997,312	986,630
	2,945,046	2,790,189

(b) Securities holdings exceeding 5% of the asset class as at 31 August

Issuer	Class	2025		2024	
		Fair value	% of class	Fair value	% of class
United States Treasury	Debt securities	134,460	13.48%	158,271	16.04%
Government of Japan	Debt securities	50,732	5.09%	32,611	3.31%

5. DERIVATIVE FINANCIAL INSTRUMENTS

	2025		2024	
	Assets	Liabilities	Assets	Liabilities
Forward currency contracts, at fair value	<u>3,775</u>	<u>3,264</u>	<u>2,338</u>	<u>4,682</u>

All these forward currency contracts would mature within one year and had a total notional amount of HK\$1,346.5 million as at 31 August 2025 (2024: HK\$1,325.7 million). The notional amounts of these contracts indicate the volume of outstanding transactions and do not represent the amounts at risk.

6. RECEIVABLES AND OTHER ASSETS

	2025	2024
Proceeds receivable from investments sold	<u>4,840</u>	9,837
Interest and dividends receivable	<u>17,615</u>	<u>23,896</u>
	<u>22,455</u>	<u>33,733</u>

7. PAYABLES AND OTHER LIABILITIES

	2025	2024
Unsettled purchases of investments	<u>12,828</u>	9,173
Amount due to the Government of the Hong Kong Special Administrative Region	<u>1,644</u>	1,625
Fees for investment managers	<u>971</u>	981
Amount due to ex-contributors	<u>2,429</u>	2,846
Fees for custodians	<u>689</u>	<u>585</u>
	<u>18,561</u>	<u>15,210</u>

All these liabilities are payable within one year.

8. CONTRIBUTORS' ACCOUNT

	2025			
	Contributions	Donations from the Government and DSS schools	Dividends	Total
Additions for the year	49,596	112,589	153,004	315,189
Net transfers from Subsidized Schools				
Provident Fund	7,941	12,079	8,808	28,828
Withdrawals by ex-contributors	(48,392)	(113,616)	(169,308)	(331,316)
Transfers to reserve fund in accordance with Fund Rule 11(1)(a)(ii)	—	(1,387)	(172)	(1,559)
Net additions/(withdrawals) for the year	9,145	9,665	(7,668)	11,142
Balance brought forward from previous year	567,812	1,234,800	1,253,998	3,056,610
Balance carried forward	<u>576,957</u>	<u>1,244,465</u>	<u>1,246,330</u>	<u>3,067,752</u>
	2024			
	Contributions	Donations from the Government and DSS schools	Dividends	Total
Additions for the year	49,176	112,490	157,466	319,132
Net transfers from/(to) Subsidized Schools Provident Fund	3,013	2,234	(2,958)	2,289
Withdrawals by ex-contributors	(58,629)	(139,669)	(207,080)	(405,378)
Transfers to reserve fund in accordance with Fund Rule 11(1)(a)(ii)	—	(1,268)	(181)	(1,449)
Net withdrawals for the year	(6,440)	(26,213)	(52,753)	(85,406)
Balance brought forward from previous year	574,252	1,261,013	1,306,751	3,142,016
Balance carried forward	<u>567,812</u>	<u>1,234,800</u>	<u>1,253,998</u>	<u>3,056,610</u>

Donations from DSS schools for the year amounted to HK\$26.1 million (2024: HK\$26.9 million).

An analysis of the withdrawals by ex-contributors is shown below:

	2025	2024
Retirement	190,091	266,007
Resignation	140,227	131,922
Death and ill health	829	7,219
Others (such as contract termination and schools ceasing to be grant schools or DSS schools)	169	230
	<u>331,316</u>	<u>405,378</u>

Vested contributors' benefits as at 31 August 2025 amounted to HK\$3,035.1 million (2024: HK\$3,028.0 million). This amount represents the sum which would be payable to contributors had all contributors left the Fund at that date.

9. RESERVE FUND

The reserve fund is maintained in accordance with Fund Rule 11.

10. PROVISION FOR GUARANTEED DIVIDEND

The amount represents the provision under Fund Rule 12 for the guaranteed dividend of 5% of the balance of the contributors' account which was open for the entire financial year ended 31 August 2025 and Fund Rule 14 for payment of pro rata dividends in respect of contributors' account which was not open for the entire financial year.

Fund Rule 12 provides that, where in any year the guaranteed dividend of 5% cannot be met by the Fund, the Financial Secretary may direct that an interest-free Government loan be paid to the Fund out of the general revenue to cover the balance of the guaranteed dividend which cannot be met. No such Government loan had been paid to the Fund for the year ended 31 August 2025 (2024: Nil) as the shortfall between the guaranteed dividend and the operating surplus was met by a transfer from the reserve fund (see note 16).

11. INTEREST INCOME

	2025	2024
Interest income from:		
Debt securities measured at fair value	33,841	32,153
Deposits denominated in:		
– Hong Kong dollar	8,354	10,133
– US dollar	18,373	17,088
– other currencies	1,689	2,325
	<u>28,416</u>	<u>29,546</u>
	<u>62,257</u>	<u>61,699</u>

12. DIVIDEND INCOME

	2025	2024
Dividend income from equity securities listed:		
– in Hong Kong	14,932	17,292
– outside Hong Kong	<u>23,795</u>	<u>25,060</u>
	<u>38,727</u>	<u>42,352</u>

13. OTHER INCOME

	2025	2024
Compensations	<u>2</u>	<u>—</u>

14. SUPERVISION FEE

This represents the provision for the supervision fee for the year ended 31 August 2025 payable to the Government of the Hong Kong Special Administrative Region under Fund Rule 6(2) in respect of the costs incurred in administering the Fund.

15. DONATIONS AND DIVIDENDS TRANSFERRED FROM CONTRIBUTORS' ACCOUNT

Under Fund Rule 13, whenever a contributor with less than 10 years of continuous contributory service ceases to be employed as a teacher in a grant school or DSS school (as the case may be), his account shall be closed and the payment due to him shall include a percentage of all Government donations and DSS school donations (if any) and all dividends that have been declared on such donations. Donations and dividends not payable to him are transferred to the reserve fund in accordance with Fund Rule 11(1)(a)(ii).

16. PROPOSED APPROPRIATION FROM RESERVE FUND / TO INCOME AND EXPENDITURE ACCOUNT

In accordance with Fund Rule 11(3) and subject to the approval of the Board of Control, it is proposed to transfer a sum of HK\$62.3 million (2024: HK\$59.1 million) from the reserve fund to the income and expenditure account. The transfer is to cover the shortfall of the operating surplus in meeting the provision of the 5% guaranteed dividend of HK\$153.4 million (2024: HK\$153.0 million).

17. ANALYSIS OF CASH AND CASH EQUIVALENTS

	2025	2024
Cash at banks and call deposits and balances with custodians	<u>12,866</u>	<u>33,057</u>
Reconciliation with the balance sheet:		
Amounts shown in the balance sheet		
Cash at banks	4,767	9,887
Deposits with banks and other financial institutions	<u>916,168</u>	<u>747,245</u>
	<u>920,935</u>	<u>757,132</u>
Less: Amounts with original maturities beyond three months	<u>(908,069)</u>	<u>(724,075)</u>
Cash and cash equivalents in the statement of cash flows	<u>12,866</u>	<u>33,057</u>

18. FINANCIAL RISK MANAGEMENT

(a) Investment management and control

The day-to-day management of the Fund is the responsibility of the Treasurer who is appointed by the Director of Accounting Services under Fund Rule 6(1). The investment functions are the responsibility of the Board of Control which formulates the investment strategies of the Fund within the investment framework approved by the Financial Secretary. All sums considered by the Board of Control to be surplus to the normal cash requirements of the Fund may at the direction of the Board of Control be invested by the Treasurer as well as external investment managers who are appointed by the Board of Control with the approval of the Financial Secretary.

The Fund's investment objective is to maximise the recurrent and capital returns on the Fund assets and at the same time observe the principle of prudence.

Each year the Board of Control approves an annual investment plan consistent with the Fund's investment objective. The investment performance of the Fund is then monitored through the Investment Subcommittee which meets on a quarterly basis to review investment reports prepared by the Treasurer and to interview the Fund's external investment managers.

The investment management and control of the Fund are set out in a documented risk management and investment strategy and reviewed on a regular basis by the Board of Control.

(b) Market risk

Market risk is the risk that changes in market variables such as equity prices, interest rates and currency exchange rates may affect the fair value or cash flows of a financial instrument.

(i) Equity price risk

Equity price risk is the risk of loss arising from changes in equity prices. The Fund's investments in equity securities are subject to the equity price risk inherent in all equity securities i.e. the value of holdings may fall as well as rise. As at 31 August 2025, the equity securities were included in securities as shown in note 4. The risk is primarily addressed through diversification of investment portfolio in accordance with a documented risk management and investment strategy, and the Fund monitors the risk on a continuous basis.

As at 31 August 2025, it is estimated that a 10% increase/decrease in the market bid prices of the equity securities, with all other variables held constant, would have increased/decreased the net realised and revaluation gains recognised in the reserve fund for the year by HK\$194.8 million (2024: increased/decreased the net realised and revaluation gains by HK\$180.4 million).

(ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This can be further classified into fair value interest rate risk and cash flow interest rate risk.

Fair value interest rate risk is the risk that the fair value of a financial instrument will fluctuate because of changes in market interest rates. Since a substantial portion of the Fund's debt securities and all of its deposits with banks and other financial institutions bear interest at fixed rates, their fair values will fall when market interest rates increase. Investments in debt securities are made in accordance with a documented risk management and investment strategy, and the Fund monitors the fair value interest rate risk on a continuous basis.

As at 31 August 2025, it is estimated that an increase/decrease of 100 basis points in interest rates, with all other variables held constant, would have decreased/increased the net realised and revaluation gains recognised in the reserve fund for the year by HK\$52.8 million (2024: decreased/increased the net realised and revaluation gains by HK\$55.3 million). As regards deposits with banks and other financial institutions, since they are all stated at amortised cost, changes in market interest rates will not affect their carrying amounts and the Fund's net realised and revaluation gains/losses recognised in the reserve fund for the year.

Cash flow interest rate risk is the risk that future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Fund does not have a significant exposure to cash flow interest rate risk because only a small portion of its debt securities bear interest at rates determined by reference to market interest rates.

(iii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in currency exchange rates. The Fund's investments denominated in foreign currencies are exposed to currency risk. The Fund only makes investments denominated in Hong Kong dollar, US dollar, Renminbi and currencies of countries whose foreign currency long-term debt has a high credit rating. The Fund's exposure to currency risk is handled in accordance with a documented risk management and investment strategy, and the Fund monitors the risk on a continuous basis.

The net exposure to each currency at the reporting date arising from recognised assets and liabilities after taking into account the effect of forward currency contracts is shown below:

	2025	2024
Hong Kong dollar	1,721,788	1,450,420
US dollar	1,547,547	1,438,235
Euro	207,222	199,470
Japanese yen	110,676	141,128
Renminbi	79,987	78,719
Pound sterling	67,325	67,829
Others	135,841	187,699
	<u>3,870,386</u>	<u>3,563,500</u>

As at 31 August 2025, it is estimated that, with all other variables held constant:

- a 0.5% increase/decrease in the exchange rate of US dollar against Hong Kong dollar would have increased/decreased the net realised and revaluation gains recognised in the reserve fund for the year by HK\$7.7 million (2024: increased/decreased the net realised and revaluation gains by HK\$7.2 million);
- a 10% increase/decrease in the exchange rate of Japanese yen against Hong Kong dollar would have increased/decreased the net realised and revaluation gains recognised in the reserve fund for the year by HK\$11.1 million (2024: increased/decreased the net realised and revaluation gains by HK\$7.1 million based on a 5% increase/decrease in the exchange rate. The change in assumption used in the sensitivity analysis was due to higher fluctuation of this currency against Hong Kong dollar after 31 August 2025); and

- a 5% increase/decrease in the exchange rates of other currencies against Hong Kong dollar would have increased/decreased the net realised and revaluation gains recognised in the reserve fund for the year by HK\$24.5 million (2024: increased/decreased the net realised and revaluation gains by HK\$26.7 million).

(c) **Credit risk**

Credit risk is the risk that an issuer or a counterparty will cause a financial loss to the Fund by failing to discharge an obligation. Cash at banks, deposits with banks and other financial institutions, debt securities, derivative financial instruments, and receivables and other assets are potentially subject to credit risk. The Fund selects issuer or counterparty with good credit standing, strong financial strength and sizeable capital. The Fund also limits the individual exposure, in accordance with a documented risk management and investment strategy, and monitors credit risk on a continuous basis. Hence, the Fund does not have significant exposures to or concentration of credit risk, and the Fund's exposure to credit risk is considered to be limited.

While the financial assets measured at amortised cost are subject to the impairment requirements, the Fund has estimated that their expected credit losses are immaterial and considers that no loss allowance is required.

The maximum exposure to credit risk at the reporting date without taking account of collateral held or other credit enhancements, if any, is shown below:

	2025	2024
Cash at banks	4,767	9,887
Deposits with banks and other financial institutions	916,168	747,245
Debt securities	997,312	986,630
Derivative financial instruments	3,775	2,338
Receivables and other assets	22,455	33,733
	<u>1,944,477</u>	<u>1,779,833</u>

The credit quality of cash at banks, deposits with banks and other financial institutions and debt securities, analysed by the ratings designated by Moody's or their equivalents, at the reporting date is shown below:

	2025	2024
Cash at banks and deposits with banks and other financial institutions, by credit rating		
Aa1 to Aa3	500,349	302,335
A1 to A3	420,586	<u>454,797</u>
	<u>920,935</u>	<u>757,132</u>
Debt securities, by credit rating		
Aaa	162,266	301,864
Aa1 to Aa3	386,432	274,655
A1 to A3	421,570	386,664
Baa1 to Baa3	27,044	<u>23,447</u>
	<u>997,312</u>	<u>986,630</u>

(d) **Liquidity risk**

Liquidity risk is the risk that the Fund will encounter difficulty in meeting obligations associated with financial liabilities. The Fund monitors the liquidity requirements on a continuous basis and maintains a level of short-term deposits and cash to pay withdrawals by ex-contributors as necessary. Hence the Fund does not have significant exposures to liquidity risk.

19. FAIR VALUES OF FINANCIAL INSTRUMENTS

The fair value of financial instruments classified under Level 1 is based on the quoted market prices of these financial instruments at the reporting date, without any deduction for estimated future selling costs.

In the absence of such quoted prices, the fair value of financial instruments classified under Level 2 is estimated using present value or other valuation techniques which maximise the use of observable data, using inputs based on market conditions existing at the reporting date.

(a) Financial instruments measured at fair value on a recurring basis

The carrying values of financial instruments measured at fair value at the reporting date according to the fair value hierarchy are shown below:

As at 31 August 2025

	Level 1	Level 2	Total
Assets			
Securities measured at fair value	1,947,734	997,312	2,945,046
Derivative financial instruments	—	3,775	3,775
	<u>1,947,734</u>	<u>1,001,087</u>	<u>2,948,821</u>
Liabilities			
Derivative financial instruments	—	3,264	3,264

As at 31 August 2024

	Level 1	Level 2	Total
Assets			
Securities measured at fair value	1,803,559	986,630	2,790,189
Derivative financial instruments	—	2,338	2,338
	<u>1,803,559</u>	<u>988,968</u>	<u>2,792,527</u>
Liabilities			
Derivative financial instruments	—	4,682	4,682

During the year ended 31 August 2025, there were no transfers between Level 1 and Level 2 (2024: nil). The Fund's policy is to recognise transfers between levels of fair value hierarchy as at the end of the reporting period in which they occur.

(b) Financial instruments not measured at fair value on a recurring basis

All other financial instruments are stated in the balance sheet at amounts equal to or not materially different from their fair values.

20. POSSIBLE IMPACT OF AMENDMENTS, NEW STANDARDS AND INTERPRETATIONS ISSUED BUT NOT YET EFFECTIVE FOR THE YEAR ENDED 31 AUGUST 2025

Up to the date of issue of these financial statements, the HKICPA has issued a number of amendments, new standards and interpretations which are not yet effective for the year ended 31 August 2025 and which have not been early adopted in these financial statements. These include the following which may be relevant to the Fund.

Effective for accounting periods beginning on or after

HKFRS 18 “Presentation and Disclosure in Financial Statements”

1 January 2027

The Fund is in the process of making an assessment of the expected impact of these amendments, new standards and interpretations in the period of initial application. So far, it has concluded that the adoption of them is unlikely to have a significant impact on the financial statements.
