Dear Supervisor/Principal,

Remain Vigilant against Communicable Diseases

This Bureau issued a letter on “Remain Vigilant against Communicable Diseases - Health Talks on Prevention and Control of Influenza for Schools” to all schools on 20 January 2009. The letter was also uploaded to EDB’s webpage for schools’ reference with the following webpage path:

EDB Homepage > School Administration > Administration > Prevention of Influenza/Avian Flu/Other Communicable Diseases (including SARS) in Schools > Prevention of Influenza

As the Lunar New Year Holidays are coming to an end, we would like to remind all schools to follow the recommendations in the aforesaid letter by adopting relevant preventive measures against communicable diseases to prepare for class resumption. We seek collaboration from schools to stay alert and take relevant preventive measures to prevent the spread of communicable diseases in schools.

For enquiries, please contact your respective Senior School Development Officer/Pre-primary Services Officer.

Yours sincerely,

(CSDO/CPSO(JOPS))
