**Title Scheme for the “Love Our Home, Treasure Our Country”  
Joint School National Education Activities (2025/26)**

**Purpose**

This circular memorandum encourages schools to actively participate in the Title Scheme for the “Love Our Home, Treasure Our Country” joint school national education activities in the 2025/26 school year, to mobilise the school sector in fostering patriotic education.

**Background**

2. The Education Bureau (EDB) took the lead in launching the “Love Our Home, Treasure Our Country” series of joint school national education activities in government schools in the 2022/23 school year, by adopting a whole-school and joint-school collaborative approach and in accordance with the “National Education – Event Planning Calendar” issued by the EDB for promoting national education. Since its implementation, the “Love Our Home, Treasure Our Country” series of activities has developed into signature joint school national education activities in the school sector, involving the participation and support of school sponsoring bodies, school councils and stakeholders, fostering the collaboration among the school sector and different stakeholders to leverage synergies.

3. To tie in with the “Patriotic Education Law of the People’s Republic of China” effective since 1 January 2024, the Chief Executive announced in the 2025 Policy Address that the “Love Our Home, Treasure Our Country” series of activities would be regularised and popularised starting from the 2025/26 school year, striving to foster patriotic education

in schools through collaboration across school sponsoring bodies and among schools, so as to further enhance students' national identity and cultural confidence.

## Details

4. In the 2025/26 school year, the EDB will continue to lead government schools and collaborate with more school sponsoring bodies and school councils to jointly implement a number of large-scale joint school national education activities. Besides, to further strengthen collaboration in the school sector, the EDB invites schools to organise quality joint school national education activities and apply to have them included as titled activities of the “Love Our Home, Treasure Our Country” series in the 2025/26 school year.
