

Vacancy Situation of Secondary Schools in Tsuen Wan District (As of September 2025)

Please note the following:

- Due to the fluctuating vacancy situation, the vacancy situation of public sector secondary schools posted on this webpage is for reference only and will be displayed as “With Vacancies”, “With Limited Vacancies” and “Without Vacancy”.
[Note: If the number of vacancies in a certain class level of a school accounts for less than 10% of the total number of places (calculated based on the allocation class size for that cohort to participate in the Secondary School Places Allocation System), it will be defined as “With Limited Vacancies”. In other words, if a certain cohort of a school participated in the Secondary School Places Allocation System with the allocation class size of 32, and the approved number of classes for that cohort in the 2025/26 school year is 5, the cohort will be shown as “With Limited Vacancies” if the vacancies are fewer than 16.]
- This webpage shows the overall vacancy situation for each class level in public sector secondary schools. For the information related to the elective subjects and the related vacancy situation at the senior secondary level of individual schools, please
- Before admitting students, public sector schools should interview the students applying for admission according to their school-based mechanism and professionally assess the class level the applicant students should enroll in. However, applicants should also understand that the places offered by the schools may not fully meet their preferences, including the desired class level and the preferred elective subjects.
- The vacancy situation of public sector secondary schools on this webpage is updated monthly, which is for reference only. For the latest vacancy information, please approach the relevant schools for enquiry.
