to Whole-day Operation Mode**

- A. School premises applied for, in order of priority:  
(Please indicate both code and address)
- B. Primary school(s) to turn whole-day through allocation of the premises in (A) above:

(Priority will be accorded to proposals which achieve maximum utility of the school premises e.g. by converting more than one primary schools to whole-day mode, in combination with other measures if appropriate.)

- C. Please briefly set out / describe:
1. The anticipated benefit to be achieved by the school from conversion to whole-day mode.
  2. The reasons why the school(s) concerned merit a higher priority than others to be allocated school premises for conversion to whole-day mode.
  3. The commitment of school personnel and support from parents for conversion to whole-day mode.
  4. A list of uni- or bi-sessional primary schools under the operation of the sponsor and the sponsor's plan to convert them to whole-day mode from now to 2007, and the measures (other than through allocation of school premises) contemplated.

(This item needs to be completed only by sponsors who have submitted an overall plan for all of their bi-sessional primary schools to convert to whole-day mode. Priority will be accorded to sponsors who have demonstrated an initiative in implementing whole-day primary schooling for all their schools.)
