3 October 2025

Dear Principal,

Release of 2025 Academic Value-added Information

The 2025 academic value-added (VA) information has been released to secondary schools through the Schools Value-added Information System (SVAIS). Schools may now access the SVAIS platform to download the related reports in support of school self-evaluation work.

School management is reminded to monitor the use of VA information by the school *to ensure that VA information is used solely as one of the information for school self-evaluation, aiming at enhancing student learning and promoting continuous school development, rather than for other purposes, such as publicity of the school.* Should the school fail to comply with the relevant agreements, the Education Bureau will consider suspending the provision of VA information to the school concerned.

For enquiries, please contact Mr KWAN Chun-wing, Assistant Project Officer, at 3863 1838.

Yours faithfully,

(LAU Kei-chung, Frank)
for Secretary for Education
