In case of any discrepancy between the English version and the ethnic minority language version, the English version shall prevail.

The document contains educational content about academic programs and courses, including information on KLAS 2021 Kalaas, Klasans, and Klassen in 2020/21. It appears to be a page from an educational brochure or newsletter, possibly from a KLAS 2021 Kalaas event. The text is written in English and may include information about academic programs, deadlines, and other relevant details for students and educators. The page also features images and graphics to support the text.
