

**Parent Seminar:**  
**Promoting young children's learning**  
**through sensory stimulation and play:**  
**A parent-child sensory game workshop**

**Organised by**  
**The Education University of Hong Kong**  
**as commissioned by the Education Bureau**

## Encourage children to explore with their senses

Encourage children to look,  
to listen, to smell, to touch

Describe different  
multisensory experiences

Link the learning experiences to  
the everyday lives of children

## Encourage children to discover knowledge by themselves

Avoid providing answers  
right the way

Invite children to  
predict and explain

Expand what children  
have said

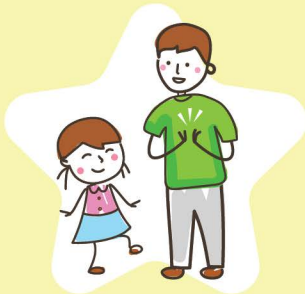

Review children's  
prediction and beliefs

## Show respect and care to children

**Praise children for their  
active exploration and  
diverging thinking**

**Use body language  
to express  
love and affection**

**Put away the cell phone  
and pay full attention**
