Tips for Parents on  
Happy Transition to Primary One

Understand  
child's  
development

Use scaffolding to  
provide cognitive,  
emotional and  
autonomy support

Do not compare  
children with  
others

Accept  
child's  
limitations

Be clear  
and  
consistent

Be positive  
and flexible

Praise little  
improvements  
and  
achievements

Encourage  
child's  
self-development

Set reasonable expectation to prepare children for school
