

Education Bureau Circular Memorandum No. 160/2023

From:	Permanent Secretary for Education	To:	Supervisors and Heads of all secondary day-schools, primary schools, special schools and kindergartens
Ref.:	EDB(SSS2)/1-50/12		
Date:	6 September 2023		

Student Grant (2023/24 School Year)

Summary

This circular memorandum informs all secondary day-schools, primary schools, special schools and kindergartens about the arrangements of providing day-school students with the student grant in the 2023/24 school year.

Background

2. As part of the \$19.1 billion relief measures announced by the Financial Secretary in August 2019, a one-off student grant of \$2,500 for each secondary day-school, primary school and kindergarten student was provided in the 2019/20 school year to alleviate parents' financial burden in defraying education expenses. The provision was approved by the Finance Committee of the Legislative Council on 6 December 2019. According to the Chief Executive's 2019 Policy Address, the provision of the student grant has been regularised starting from the 2020/21 school year.

Eligibility Criteria

3. The student grant is non-means-tested. All students¹ who are, as at the date of application, studying in secondary day-schools, primary schools and special schools (including public sector schools, Direct Subsidy Scheme (DSS) schools, English Schools Foundation schools and private schools) as well as kindergartens (whether having joined the kindergarten education scheme or not) offering local or non-local curriculum in Hong Kong, are eligible for the grant. Students of evening schools, students of private studies, holders of student visas for entry into Hong Kong for studies and holders of Recognizance Forms issued by the Immigration Department are not within the scope of subsidy.

¹ Kindergarten students have to be at the age of two years and eight months or above as at 1 September of the school year in order to be eligible for the student grant.

4. Taking into account that there are some students who should meet the eligibility criteria stated in paragraph 3 above but attend other programmes owing to special circumstances, we also deem the following students eligible for the grant:

- (a) children at the age of two years and eight months or above as at 1 September of the school year concerned attending Special Child Care Centres subsidised by the Social Welfare Department owing to special needs;
- (b) newly arrived children attending the full-time Initiation Programme funded by the Education Bureau (EDB); and
- (c) students taking full-time programmes for Secondary 3 school leavers offered by the Vocational Training Council.

Application Arrangements

5. Starting from the 2023/24 school year, EDB will introduce electronic submission of student grant applications (e-submission) in public sector schools and DSS schools. Schools concerned are advised to inform parents of the relevant arrangements of e-submission. To cater for the needs of individual parents, apart from making e-submission, parents can still choose to return the completed paper application form to schools for onward submission. However, **only one application, either in electronic form (e-form) or paper form, can be submitted for each eligible student.**

Relevant Arrangements of e-Submission (Applicable to Public Sector Schools and DSS Schools)

6. Starting from the 2023/24 school year, parents/guardians (hereinafter referred to as “applicants”) may submit online applications for the student grant for students studying in public sector schools and DSS schools. Applicants must have a user account of “iAM Smart+” with digital signing function. They may log in to the online service of “e-Submission of Student Grant Applications” via the “iAM Smart” App direct, or scan the QR code or click the link below and log in to the e-submission platform (e-platform) to submit online applications.

Student Grant e-Submission Platform

(Link: <https://stgsesweb.edb.gov.hk/>)

For details of “iAM Smart” registration, applicants are advised to visit the thematic website at <https://www.iamsmart.gov.hk>.

7. Applicants should read carefully the “Guidance Notes” on the e-platform. Applicants who received the student grant in the 2022/23 school year are “Continuing Applicants”. “Continuing Applicants” will be given a pre-filled e-form when their identity has been successfully verified with a one-time verification code. They are only required to check the pre-filled information of the student and the applicant therein and fill in the class name of the student, and then make an e-submission with digital signing. “Continuing Applicants” may amend the information on the e-form if necessary. If the student is newly admitted to a school or has transferred to another school, the “Continuing Applicant” has to select the name of the new day-school in the pre-filled e-form. New applicants or applicants whose identity cannot be successfully verified through the e-platform are required to fill in a blank e-form. Before making the submission, applicants should check the accuracy of the information provided, especially the name of the school, so as to avoid delaying the progress of the application due to incorrect information. To ensure correct selection of school name, schools are advised to provide parents with the school name and school code like the example given below for their reference:

<u>Name of School</u>	<u>School Code</u>
ABC School	123456

8. The e-platform will open at 6:00 a.m. on 14 September 2023 and close after 11:59 p.m. on 2 October 2023. Applicants may scan the QR codes below for details on the application procedures and to learn more about how to fill in an e-form:

Video on e-Form Filling

9. EDB will inform the applicants of the application progress and other related matters via SMS and/or email. Applicants may also check the application progress and use other functions of the e-platform, such as updating or amending information, or uploading supporting documents upon the request of EDB.

10. Schools are required to verify the student status via the Student Grant System (STGS) (<https://stgsfile.edb.gov.hk>) upon receipt of the student information tendered by e-submission. **They should assign staff to log in to STGS to verify that the student concerned is their student within 14 days after the e-Submission by an applicant.** If the student is not verified by the school within the specified timeframe, the application will lapse and will be returned to the applicant automatically for rectification. To enable schools to timely verify student status, EDB will issue reminders to schools via STGS to inform them of the number of applications pending verification on a regular basis. A video on how to verify student status and the presentation materials of relevant school briefings have been uploaded onto STGS for schools' reference. Schools are urged to arrange staff to log in to STGS regularly and verify the student status as soon as possible to facilitate the early processing of the applications by EDB.

Distribution of Paper Application Forms and Relevant Arrangements (Applicable to All Schools)

11. EDB will distribute the student grant paper application forms and verify the student status via schools. For the paper application forms, there are **Form B** (sample at Appendix 1) and **Form A** (sample at Appendix 2). Form B is pre-printed with the basic information of the student as well as that of the applicant (applicable to students who received the student grant last school year and are studying in the same school) while Form A is a blank form (applicable to students who are newly admitted to a school or have transferred to another school in this school year). Schools are advised to remind applicants to fill in the application forms according to the circumstances set out below:

(A) Form B:

- ✧ In general, applicants are only required to check the accuracy of the pre-printed information. If there is no need to change the pre-printed information, applicants should **put a “✓” in the confirmation box** at the bottom part of the paper form, sign and submit the application form to EDB through schools.
- ✧ If the essential student particulars pre-printed on Part I of Form B (i.e. Student's Name in English, Name of Day-school or School Type) require amendment(s), applicants of the students concerned **should use Form A for application.**
- ✧ If other pre-printed information on Form B requires updating (information other than the essential student particulars), applicants should make the amendment(s) in the space above the relevant information in BLOCK letters using **black or blue ball pen** (correction fluid or tapes should not be used for making amendment(s)), **leave the confirmation box at the bottom part of the form blank** and submit the application form to EDB through schools.

(B) Form A:

- ✧ For students who are newly admitted to a school, have transferred to another school, individual students without Form B provided by EDB or those with the aforementioned essential student particulars requiring amendment(s), applicants should use Form A for application.
- ✧ In completing the paper application form, applicants may refer to the reference information (including how to fill in bank account information correctly) uploaded onto EDB website (<http://www.edb.gov.hk>) (Home > Students and Parents Related > Support and Subsidies > Student Grant) or scan the QR codes below for access to the information.

Common Bank Code List

12. Schools (except for government schools) are requested to arrange their staff to bring along the completed Collection Slip (Appendix 3) when collecting the “Student Grant” paper application forms and Notification Slip (for indicating the number of paper application forms submitted, sample at Appendix 4) at the respective Regional Education Offices (REO) from 27 September to 13 October 2023. Form A can also be downloaded from EDB website (Home > Students and Parents Related > Support and Subsidies > Student Grant) or obtained from REO. Please note that **the completed paper application forms must be submitted through the schools that the students concerned are attending**. Applicants should read carefully the “Notes to Complete this Form” and the “Declaration” before completing the “Student Grant” application form.

13. As the pilot scheme for e-submission of applications for student grant was implemented in government schools in the last school year, government schools may make use of the new function of STGS. They may log in to STGS from 3 October 2023 to download and print the paper Form B of “Student Grant” using double sided printing for parents in need. Relevant user manual and demonstration video have been uploaded onto STGS for schools’ reference. Please note that Form B will not be provided to students who submitted an online application in the last school year, and schools are advised to encourage parents to continue making e-submission. Schools are also required to download the Notification Slip from STGS. If Form A is required, applicants can download the Form from EDB website on their own.

14. All schools may distribute the paper application forms to parents of eligible students starting from 3 October 2023, except for those who have submitted an online application. Public sector schools and DSS schools can check the list of students whose application has been made by e-submission in STGS. Schools should stamp a school chop on each paper application form to certify that the student concerned is their student. The paper application forms together with the Notification Slip should be returned to the Student Special Support Section Kwun Tong Office of EDB (Address: Unit 1001-3, 10/F, Kwun Tong View, 410 Kwun Tong Road, Kowloon) during the period from 9 October to 8 November 2023. If individual students cannot submit the application within the period specified, schools may return the completed paper application forms together with the Notification Slip to EDB by batches. If there are students enrolled to a school after 8 November 2023 (such as newly arrived children) with an admission date on or before 30 June 2024, they can still apply for the subsidy. Under such circumstances, applicants are required to submit the completed paper application form to EDB through the schools on or before 5 July 2024. If the students concerned are transferees, they may apply for this grant through the school they previously attended or the admitting school, but **no duplicated application is allowed**.

15. Applicants are not required to provide other documents at this stage. We will make use of the school, student and applicant information available to conduct verification as far as possible. Applicants will only be requested to provide documents when necessary. EDB will inform parents of the status of their application via SMS and/or email as appropriate. As parents generally possess local bank accounts, the grant will be disbursed to parents via bank transfer.

16. To assist schools to communicate with parents/guardians on issues related to the student grant, EDB will provide schools with progress reports on the applications via STGS on a regular basis. If the information provided in the application forms is incomplete or incorrect, or further information for verifying students' eligibility is needed, EDB will seek schools' assistance in requesting the applicants to submit the required information. To download the progress reports and other documents, schools should access STGS via the Common Log-On System (CLO) either using a master school administrator account of EDB e-Services Portal or a school administrator account of CLO. Schools can also delegate staff to assist in handling matters related to the student grant by using the delegation function in the CLO.

17. We will separately inform the organisations and institutions stated in paragraph 4 above about the relevant details and arrangements.
