

馮廣恒老師

教師獎學金（進修碩士學位課程）（2020/21）得獎者

面對快速變遷的時代，終身學習已成為每個人應秉持的精神。作為一位教育工作者，我深信持續進修是提升自我價值、與時並進的關鍵。即使我有十多年的教學經驗，面對 STEAM 教育的發展，也是時候進一步提升自己的專業能力。因此，我於 2020 年開始修讀與 STEAM 教育有關的教育碩士學位課程。我相信，終身學習是教師應有的態度，也是為了向學生提供最好的教育來應對社會上的各種挑戰。STEAM 教育是一個充滿無限可能的領域，通過這次進修，我獲得更多專業知識和實踐經驗，邁向成為一個更出色的 STEAM 教育工作者。

碩士學位課程如何提升我的教學和專業

這個課程能提升我的教學技巧和專業素養，不僅學到科技教育的理論、知識和相關的教學法，還有機會實踐這些知識，進行課堂研究，以及設計有趣而具有挑戰性的學習活動以激發學生的創新思維和合作精神。此外，課程讓我掌握如何設計跨學科學習的課題，即是將不同學科的知識和技能相互結合，創造更豐富和有意義的學習體驗。跨學科學習可以幫助學生更有效理解和應用所學的知識，並提升他們解難能力。最後，我也學到更嚴謹及更聚焦的評估方法，幫助我瞭解學生的學習成果和能力。

修讀碩士學位課程的得著

我修讀碩士學位課程的得著是多方面的，其一是深入了解和掌握 STEAM 教育的發展；其二是有機會研究和學習關於 STEAM 教育的整合教學方法，了解當中的核心理念和價值，學習如何把 STEAM 教育應用在實際的教學中；其三是我認識了一班志同道合的同工，一起研究和分享 STEAM 教育的教學點子和策略，這種合作和交流的環境豐富了我的教學觀點，同時啟發我思考更多創新和有趣的教學方法，加強我實踐 STEAM 教育的自信心，從實踐和驗證的過程中，不斷改進和提升自己的教學效能。

Awardee's Sharing

Mr FUNG Tsz Hei

Awardee of the Scholarship for Teachers (Pursuit of Master's Degree Programmes)
(2020/21)

Being a primary school guidance teacher, I always think about how to make an effective and positive impact on students' psychological development. After years of experience, I realised that parenting plays an essential role in providing the ongoing care and support a child needs. In order to acquire in-depth knowledge about parenting and effective parenting skills, I decided to study for a Master of Education degree programme in Parent Education.

How the master's degree programme enhanced my pedagogical practice and professionalism at the classroom

In the programme, I learned about parenting from different perspectives like psychology, society, and culture. The programme prompted me to reflect on how important parents' support is and how to improve parent education. By applying what I learned from the programme, I designed a programme for the parents at my school. We focused on play-based activities to help children develop their social and emotional skills. I hope this programme can offer insights to parents and encourage them to develop their own and their children's social and emotional intelligence, meanwhile, giving them a fun and relaxing time to relieve stress.

The most rewarding part of studying a master's degree programme

Learning is a lifelong journey, and I encourage teachers who are interested in facilitating students' learning process to pursue relevant master's degree programmes. This is a golden opportunity to broaden your knowledge and find new ways to support your students.
