1.1 Understanding My Mental Well-being

## Understanding My Mental Well-being

Knowing your inner mental status by using objective tools is vital for you to stay well! Here is a quick test to measure your level of psychological distress. The following questions ask about how you feel. For each question, please select the option that best describes you.

<https://shaiiwetalk.hk/en/mental-health-information/psychological-distress-test/>

1.4.5 Growth Mindset

### THINK POSITIVELY

Help turn these unhelpful thoughts into helpful ones...

I've always been terrible at this!

I did it all wrong...I just can't do it

It's not fair...he's so much cleverer than me.

I'm never going to understand this...

2.4 Tips to Enhance My Resilience

### Tips to Enhance My Resilience

Whatever you do, do not use the difficulties of planning as an excuse to not plan. Planning is one of the most important secrets to success, so if all of this sounds a little off-putting, remember this: "The biggest planning failure is to fail to plan."

Hang in there! One way to plan and succeed is to have the right tools at hand. Here are some tips for you:

**During with disappointment-** Remind yourself that it is OKAY to be NOT OKAY! Feelings like annoyed and frustrated blend with enjoyment and satisfaction in life! If you have missed out on a goal, fine-tune your plan and strategies and you will put yourself one step forward to the final goal!

**Get to know more about your stress habits-** people tend to avoid pains and obstacles consciously or subconsciously! Knowing how your stress habits affect you definitely helps. Give yourself a break and study the habits when you are ready. Try different strategies to develop some effective ways to handle them! Trust yourself that you are capable of finding creative solutions to problems.

**Dealing with changes-** a successful plan always requires continuous adjustment based on the latest situation. Being flexible is one of the ways out! Resilient people can change their opinions, deal with new and unexpected experiences, and accept advice from other people who inspire them to rethink how they can approach a stressful situation.

**How to set and work toward realistic goals?** dreams are important. It is okay to dream about becoming a famous millionaire or a scientist one day. However, do you set realistic goals for yourself? Setting realistic goals for now might be the path to achieving dreams! For now, focus on more immediate goals that you feel confident enough to reach! This way, you can feel the satisfaction and pride of accomplishing them!

4.1 My Gratitude List

### My Daily Gratitude Journal

DATE:

5 things I'm grateful for:

4 things I'm looking forward to:

3 things I accomplished today:

2 people I'm grateful to have in my life:

1 amazing thing that happened this week:

## MCE LESSON : BE PROACTIVE

G8

Try to list it out at least 5 responsibilities you are taking up!

---

---

---

Try to list as many pairs of consequences as you can:

Positive	Event	Negative
	Cheating	
	Woke up late during school day	
	The hardest level Work hard in Study	

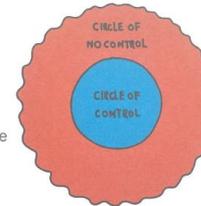

Try to change from pessimistic expression to proactive one

Pessimist people said..... Proactive people say.....

I don't have a choice	
That's just the way I am	
He makes me so mad	
I have to do that	
There's nothing I can do	
It's just Mom's fault	

"It's only after you've stepped outside your comfort zone that you begin to change, grow, and transform."-Roy T. Bennett

48

Base on the case of  
Tsang Tsz Kwan  
Try to finish this circle

### ARE YOU TRAPPED BY THESE THOUGHTS?

Thinking Trap	Examples	Describe a time you thought this way	What is one thing you could do to change?
<b>No evidence, then true</b> Because there is no evidence or points against something, then it must be true	I'll eat more ice cream because no-one has proved it's not good for me.		
<b>Everyone thinks this?</b> Because there is popular support for an idea, despite a lack of evidence to support it, it is accepted anyway.	4 cylinder cars are the best cars because most people drive them.		
<b>Focusing on Negatives</b> Is when Someone only focuses on the negative and what can go wrong	Everything always goes wrong for me and there is nothing I can do about it.		
<b>Personalising</b> Is when someone thinks something happens just because of them.	My team lost just because of me

## 2020-2021年度會訊 NEWSLETTER

### 主席的話

親愛的校長、老師、家長、同學：

時光飛逝，轉眼間參加了家教會已經三年了，由最初全不知道家教會如何操作，經歷屆主席和委員的帶領下，一步一步成為主席，深感榮幸！在這一年裏，遇到的挑戰及艱難是前所未有。記得上年九月各年級同學選舉分班回校上課，期間學校應變能力迅速，預備了充足的防疫物資，保障復課後學生的身心健康，幫助孩子迅速調整學習狀態，令學生能安心回校上課。直至三月中，學校正式全校復課，雖然只得半天課室但所有學生都感到很興奮。

本屆家教會的恆常活動，如G12加油站、文化日、聖誕聯歡、復活節聯歡、教師日、家長工作坊及家長研討會等等，因限聚需要把活動規模縮小，但在各老師和委員悉心安排下，最後都一一成功舉行。在此要感謝本屆各委員的付出，令本屆有很多不同的活動變成可能和順利舉行，你們的付出有目共睹，希望各委員繼續下去。

適逢今年學校成立15週年，家教會、學生會及學校將會合作舉辦多項活動，如音樂會、拉松、親子齊做運動課程及興建泳池籌款活動……等等，希望各位家長留意及踴躍參加。

最後，歡迎各家長向我們提出寶貴的意見，讓我們發揮家校合作精神，共助孩子快樂成長！祝大家身心康樂，生活愉快！

香港浸會大學附屬學校王錦輝中小學  
第十四屆家長教師會主席  
黃家豪

校長，各位老師，各位家長，各位同學，大家好！

今屆好高興有機會參與家教會常委會的工作，自從大兒子11年前就讀，我已經非常積極參與家長義工服務。因為我深信小朋友的成長，需要和支持非常重要。如果家長可以在學校參與為一份子，與小朋友一同成長一定相得益彰，這個亦是歷屆委員積極參與家教會活動的初心。

近幾年社會及學校經歷大大小小的風波，家教會亦都迎來不同類型如何與時並進與同學一同成長，也是我們歷屆家教會委員的一個新的嘗試。家長委員可能來自不同背景和不同職業，但是我們都目標一致，大家在的職責百分之百的付出，感恩收穫了一個又一個成功的活動，而且，我們亦得到一份真摯又難忘的友誼和經歷。如果小朋友每天上學和同學而高興，我個人就對每次開會和活動見到其他委員而高興。這經歷，你必須要踏出第一步，和我們攜手一同參與家教會委員的活動吧！

十年樹木百年樹人，要在家教會中亦有一班熱心的老師們，在之餘亦參與我們的職務。在此我表達深深的敬意！我非常期望，在能夠有你的參與，一起並肩，家校合作，共同建立一間溫馨滿載的

家長教師會2019-2020年度會訊  
PARENT-TEACHER ASSOCIATION NEWSLETTER

### 愛心、互信、承傳 主席的話

親愛的校長、老師、家長：

光陰似箭，日月如梭，回想起女兒小一入學那年，跟大家新家長一樣什麼都不會。為了對學校多加認識，於2011-2016曾參加不同類型家長義工服務，繼而於2017學年毅然參選成為家長教師會（家教會）委員，加入了這個大家庭。三年間曾出任司庫、副主席和主席，在不同崗位服務大家，竟令我這位「在職父親」的生活變得絢麗多彩。

過往，家長教師會舉辦了很多大大小小的精彩活動。種類包羅萬有，當中包括G12加油站、家長教育研討會、電影欣賞、聖誕聯歡、文化日、復活節聯歡、教師日、大旅行、職業博覽會、家長工作坊等等……。尤其是家長教育研討會，每年學校和家教會誠意邀請份量十足的講者嘉賓分享心得，家長們透過講座獲取不少親子心得，使家長們親子知識及溝通技巧大躍進。當中的親子話題，亦令

我明白每位子女均是獨一無二，無條件的愛確信是維繫親子關係的重要元素。當然最重要的切忌不能紙上談兵，付諸實行最為重要。我們要徹底去認識子女的獨特性格，因材施教。世上不會有一本「驚世絕學」秘笈教你如何擔當一位稱職父母，關鍵在於各位家長能否活學活用。

作為今屆家長教師會主席，盡力做好本身崗位之餘，也期望能在最後一年能整合過去三年會務經驗，團結各位委員，將委員的經驗和心得，有系統地好好整理及保存，妥善規劃及承傳，為學校、家長及學生達致有效溝通的橋樑，打造更鞏固的根基。在此衷心感謝校長及各位老師的支持、家教會委員及家長義工無私的付出，以及各位家長一直以來踴躍的參與。期將來年家教會工作能以落實作風和團隊合作精神繼續進行會務，承先啟後，薪火相傳，把本會的精神承傳。

最後，各位同路人請繼續為「家校合作」而努力！祝願每位同學能享受多姿多彩的校園生活，擁有更豐盛的人生！

### 主席的話

Dear all,  
Thank you for a wonderful year. It is my honor to be the 2018-2019 PTA Chairman. The journey with PTA has been amazing, and I especially appreciate all dedication and achievement from A-School Teachers, PTA Committees, PTA Members and A-School Students.

PTA is an important part of the DNA of A-School. With full support from our School Principal Dr. Chan and the School management team, we continue to excel in our events to create value with all participants sharing happily together. PTA fully supports the School Motto:

*Passionate to learn, with Confidence  
Determined to Succeed, with Vision*

I would like to call out to our talented PTA committees. They are 8 teachers from A-School, 8 parents from Secondary School and 8 parents from Primary School. We meet 7-9:30 p.m. on many Tuesdays, as well as for many extra hours conducting meetings to coordinate many meaningful events, seminars and support for school fund raising activities (i.e.: Sponsorship for library books, WeCare funds etc.).

In addition to PTA committees, I would like to thank up to hundreds of G1-G12 parents' volunteers who help to support A-School in different events. Your ideas and precious time was well spent to give our students a better environment and WOW surprises.

My journey with PTA in the last 3 years has been superb and rewarding. I feel the energy from the school team to strive for excellence and now A-School is one of the top outstanding schools in Hong Kong and in the world. Every year we developed many students as future talents. Keep up the great work!

Best Regards,  
Dr. David Wong  
2018-2019 PTA Chairman

# 家長教育研討會 Parent Education Conference 2020

感謝學校、家長教師會及家長學堂合辦的～逆風而上，愛裡更新的講座，今次令我得着很多，麥潤壽先生所說的（一大宗旨、兩大堅持、三大守則）好有用，小朋友真的要給他們有犯錯的空間，要他們懂得責任感！另外屈偉豪博士所說的（父母一致，合夥同行，言行身教，堅守立場，心平氣和，了解成因）我細心一想，真的很重要，令我再加深學習和家人相處溝通的重要學問！今次講座真的很好👍感謝

首先多謝學校跟家教會，花了不了心機，時間和用心的安排這次的家長學堂。雖然這次不能抽到現場參與，但亦可幸學校本身的資訊科技設施完善，在疫情限制下都可以給予家長們參與的機會。另外當然多謝兩位嘉賓講者，作出了非常”貼地”，生活化的演說和講解。令本來平常的題目，因這出色的演說，給予更加深入的體會和反思，對於子女，家庭的關係作出更好的處理，謝謝。
