The screenshot shows a web browser window displaying an Explain Everything presentation. The presentation content is a Venn diagram with three overlapping circles: a red circle at the top labeled "Society", a blue circle on the left labeled "Economics", and a green circle on the right labeled "Environment". The central intersection of all three circles is shaded dark blue and contains a play button icon. A black arrow points from the top right towards this central play button. Below the diagram, there is a control bar with two buttons: "Download" (highlighted with a red rectangle) and "Copy Web Video Link". Below the control bar, the title "Venn Diagram" is displayed, followed by "0 views" and the user profile "Kelly CHENG". At the bottom, technical details are listed: "Slides: 1", "Duration: 00:59", "Explain size: 1.21 MB", and "MP4 size: 117 MB". On the right side of the interface, there are links for "PRICING", "SIGN OUT", and "ACCOUNT".
