NSS BAFS - Assessing Student Learning Series
Assessment for Learning

Self-reflection

1. Please write down one or more concepts covered in today's workshop.

2. Please identify one or more assessment tools which are introduced in today's workshop but never applied in your lessons before. In case your answer is "NIL", please identify one or more assessment tools which are applied in your lessons most often instead.

3. Please suggest topic(s) from any business subjects which is/are appropriate for the application of assessment tools identified in Q.2.

THANK YOU
