The Hong Kong Academy for Gifted Education

We are a non-profit making organisation fully sub-vented by the Education Bureau.

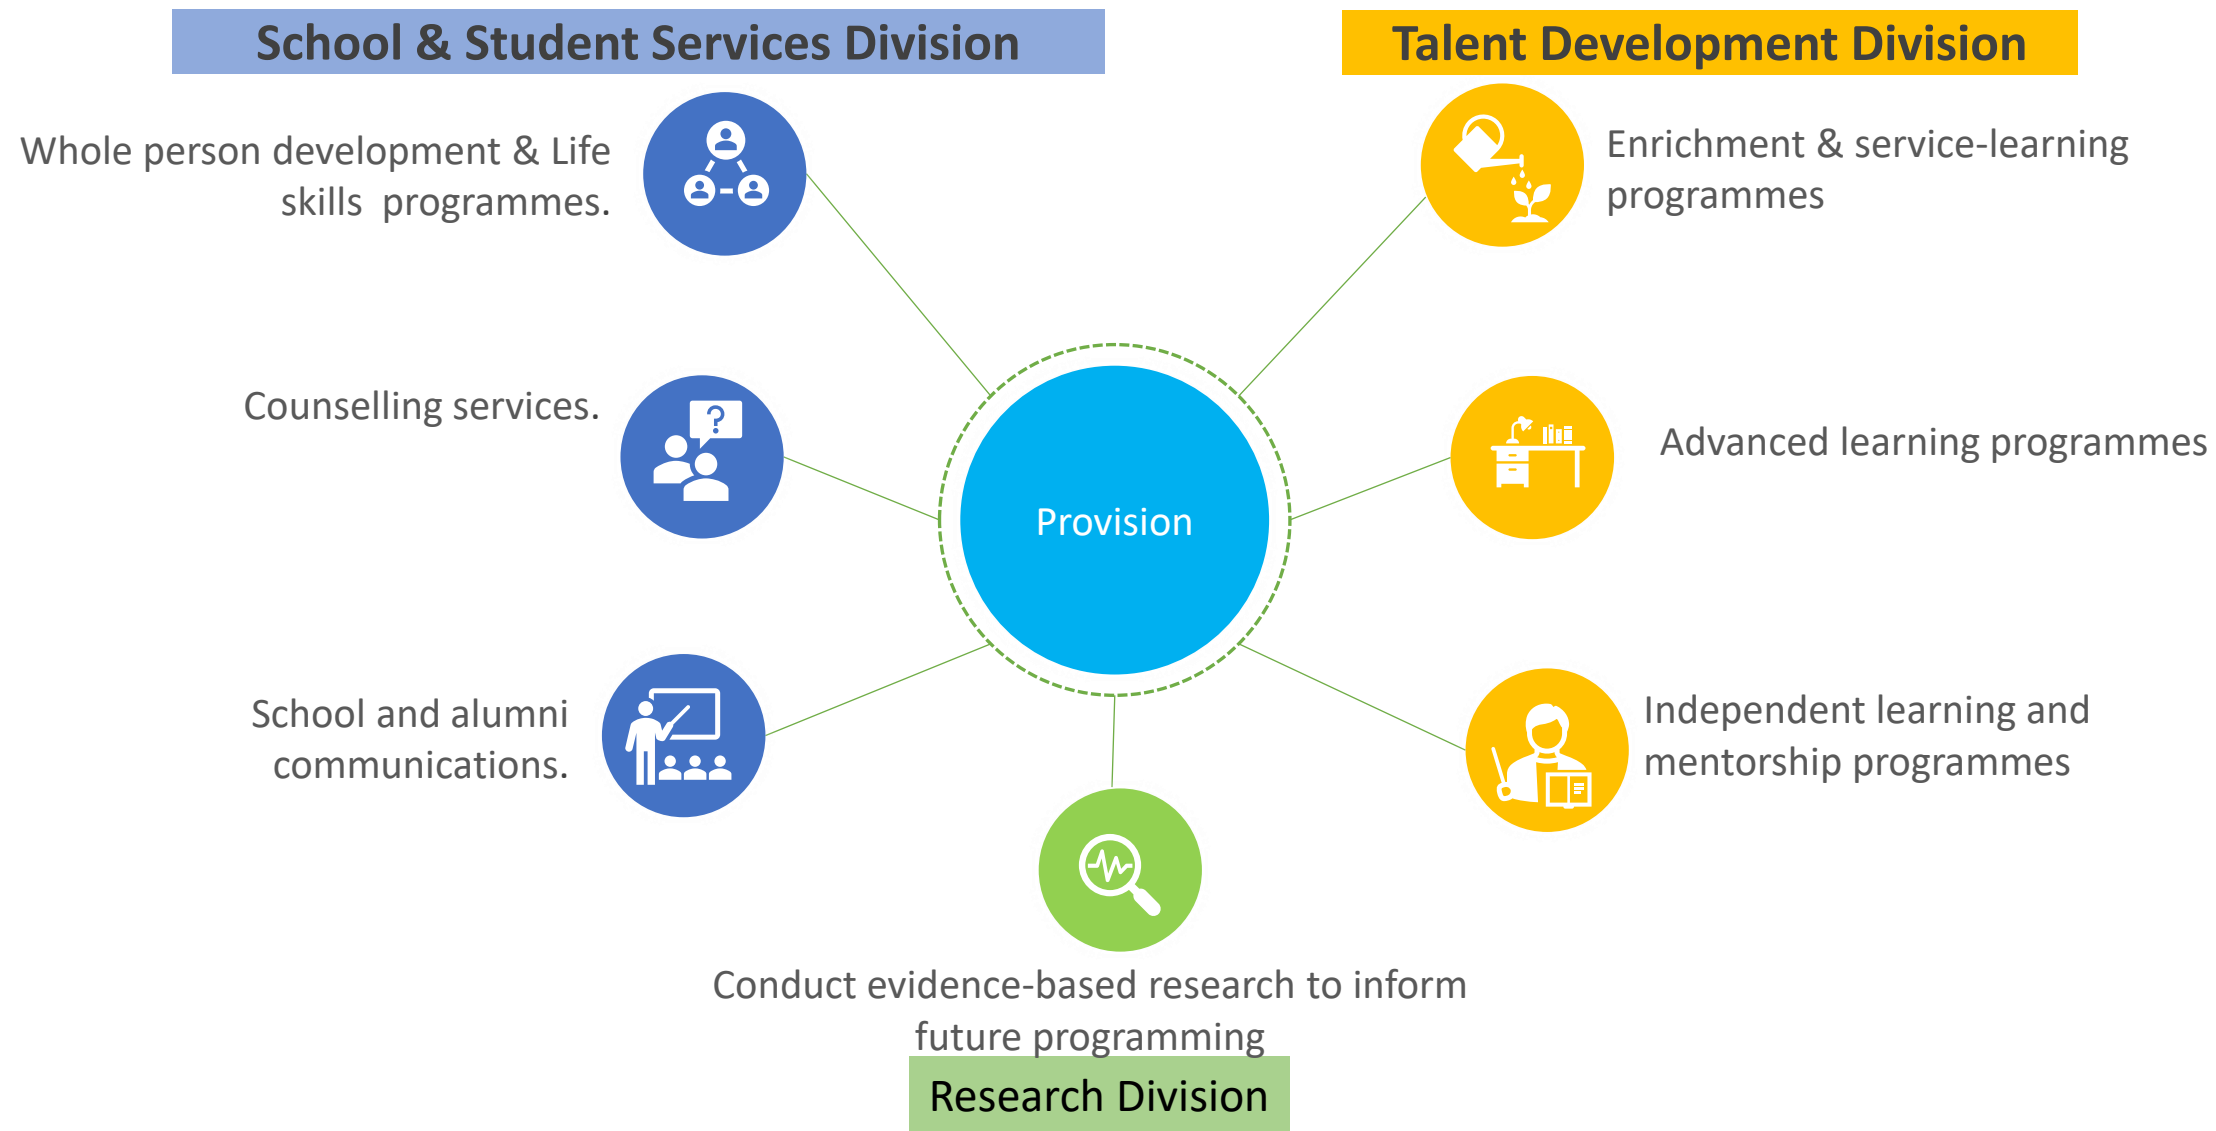

We provide off-school gifted education services to gifted students aged 10-18.

We also provide educational services to parents and teachers of our gifted student members.

Research Division in the Academy conducts gifted education related researches to inform the future development of the Academy.

Identification and selection methods of gifted students

The Three-tier Operation Mode and Target Students

Definition of Giftedness

Giftedness: A Changing Concept

IN THE PAST

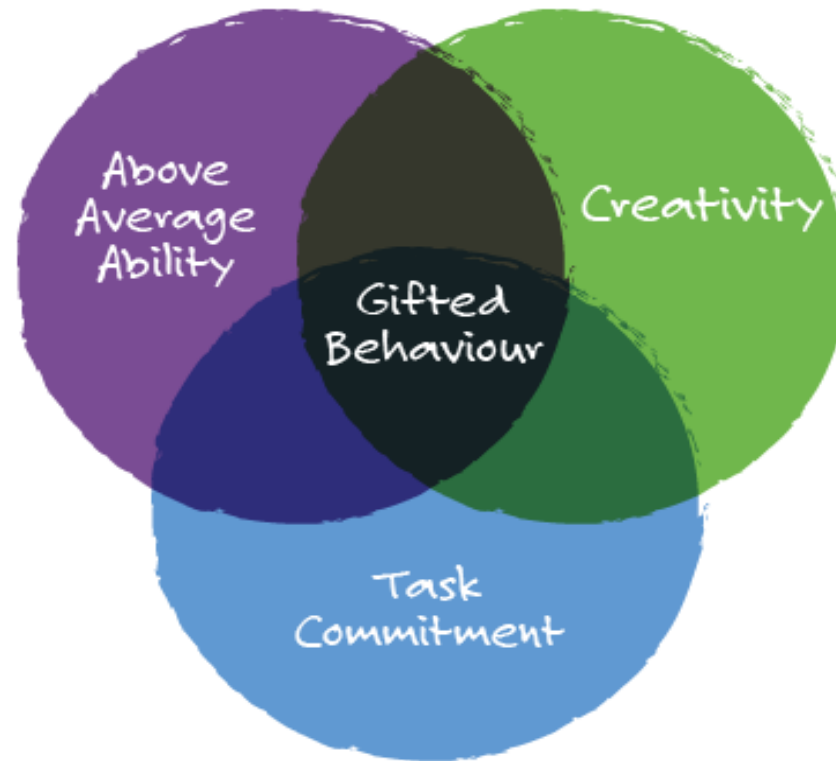

- Primarily concerned with high IQ
- born with high intelligence – only hereditary
- High grades and test scores; capable of excelling in all areas of school and of life

TODAY

- Conventional IQ tests only measure logical-mathematical & linguistic intelligence
- Characteristics and types of the gifted (Multiple Intelligences)

Renzulli's Three-Ring Conception of Giftedness

Source: <http://www.gifted.uconn.edu/sem/semart13.html>

Characteristics of Giftedness

Traits of Gifted Students

General Traits of Gifted Students :

- Creative
- Excellent language skills
- Curious
- Good memory
- Good thinking skills
- Think independently
- Good performance in certain subject
- Focused
- Principled
- Emotionally sensitive
- More mature than same age peers
- Leadership
- Perfectionist
- Afraid of facing failure

Positive Behaviour	Trait	Negative Behaviour
Flexible	Creative	Not a team player
Strong motivation in learning	Curious	Not focused
Independent thinker	Unique Ideas	Break the rules
Prudent	Observant	Critical
Efficient learner	Focused	Obsession
Caring	Expressive	Emotional / Sentimental
Good leader	Leadership	Control the others
Quality product	Perfectionism	Stubborn, frustrated
Careful	Afraid of Failure	Lack of courage

How to identify and screen gifted students

- Giftedness is not a single trait
- Gifted students are not a homogeneous group
- Significant difference between gifted individuals

Catering Learning Needs of Gifted Students

Difference between gifted and ordinary students:

- (1) Gifted students **learn faster**
- (2) Gifted students **understand the topic in depth**
- (3) Gifted students have **diverse interests** in learning

Stage 2: Submit Students' Personal Profiles	
Late Feb 2023	Briefing Session: Arrangements for Submission of Students' Personal Profiles and Operation of the "Online Nomination Platform"
Mar 2023	Submit Students' Personal Profiles for Further Screening through the "Online Nomination Platform"
Mid Jun 2023	Nomination results announcement and member registration

Target Participants

- HKAGE can only provide services to student members aged 10 to 18 who are currently studying in schools in Hong Kong.
- Students are required to **meet the minimum age of 10 on or before 30 September 2023** in order to apply for the "Stage 1: Screening Programme".
- Will NOT accept applications from Secondary 6 students (or equivalent to the last year in secondary school)

“Principal’s Nomination” (only applicable for Secondary Schools)

- Starting from the 2022/23 school year, the “Principal’s Nomination” is added to enhance the current “School Nomination” for students who are gifted in leadership.
- Each secondary school can nominate one potential student of Secondary 2 to Secondary 4 to the HKAGE. These nominated students are exempt from the Stage 1 screening and will be invited to submit their personal profiles for assessment as required in Stage 2.

Quota Limitation

- Each school can nominate **up to 50 students** per year for the "Screening Programme".
- Application of Self Nomination and “Principal’s Nomination” are not counted.

Other Important Notes

1. Each student can apply for **ONE** “Screening Programme” only with the maximum TWO attempts on the final assessment
2. The Screening Programmes are self-learning programmes and have no fixed timetable. Students need to study the programme and complete the final assessment within the designated period.

Other Important Notes

3. Students **cannot change** the applied programme after the application deadline
4. Students who have applied for the “Screening Programme” via “School Nomination” cannot apply for another "Screening Programme" via "Self Nomination". The HKAGE will only consider the **"School Nomination"**

Other Important Notes

5. It is the applicant's responsibility to provide an **accurate and valid email address** for correspondence.
- School Coordinators should remind nominees to contact HKAGE by email sss@hkage.org.hk as soon as possible if they do not receive the email of the application result and login details after the start of the "Screening Programme".

School Coordinator

- Each school should assign one **School Coordinator** for communication purposes
- Review the **progress of their students** in completing the Screening Programmes via the “**School Account**”
- **Follow up** on the **submission of Students’ Personal Profiles** for the students who have completed the Screening Programmes with a pass

Stage 2:
Submit Students' Personal Profiles
via
“Online Nomination Platform”

Prepare Students' Personal Profiles

School Coordinators facilitate **Student Nominees' Parents** to prepare for the information including:

1. School's nomination reasons#
2. Parents' observation on the nominee #
3. Softcopies of school reports (school year 2021/22) #
4. At most 3 significant achievements with softcopies of supporting documents
5. Softcopies of intellectual assessment reports
6. One creative work in the means of audio, video, word, pictorial format, etc.
7. At most 3 softcopies of additional information

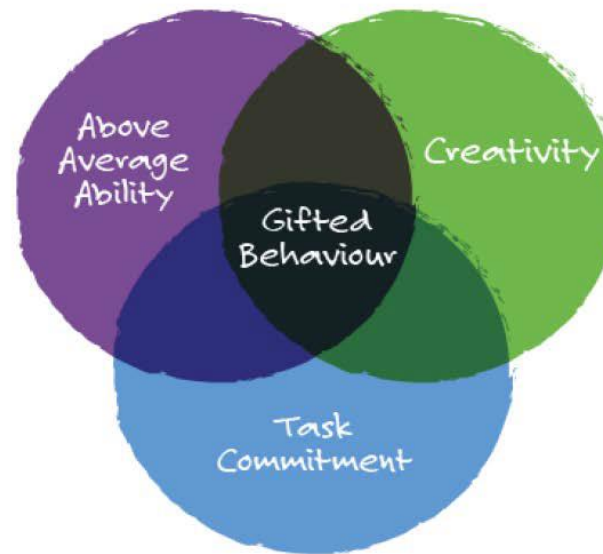

Compulsory items to fill out/ upload

Screening Criteria

Screening by HKAGE is based on Dr Joseph Renzulli's **Three-Ring Conception of Giftedness**, taking into consideration whether the student could benefit from the **HKAGE programme provision**.

Renzulli's Three-Ring Conception of Giftedness

Membership Requirements

1. Membership Requirements in the First Review Period

Full members must complete the follow requirements in the **first review period** to **sustain full membership**:

- **Primary members**: Successfully complete a common-core programme “Let us shine!”
- **Secondary members**: Successfully complete a common-core programme “Double Majors in Giftedness”
- First review period runs from **membership effective date to 31 August of the following year**

2. Requirement for Sustaining Student Membership AFTER the First Review Period

All student members must complete the follow requirement within each school year to **sustain full membership**:

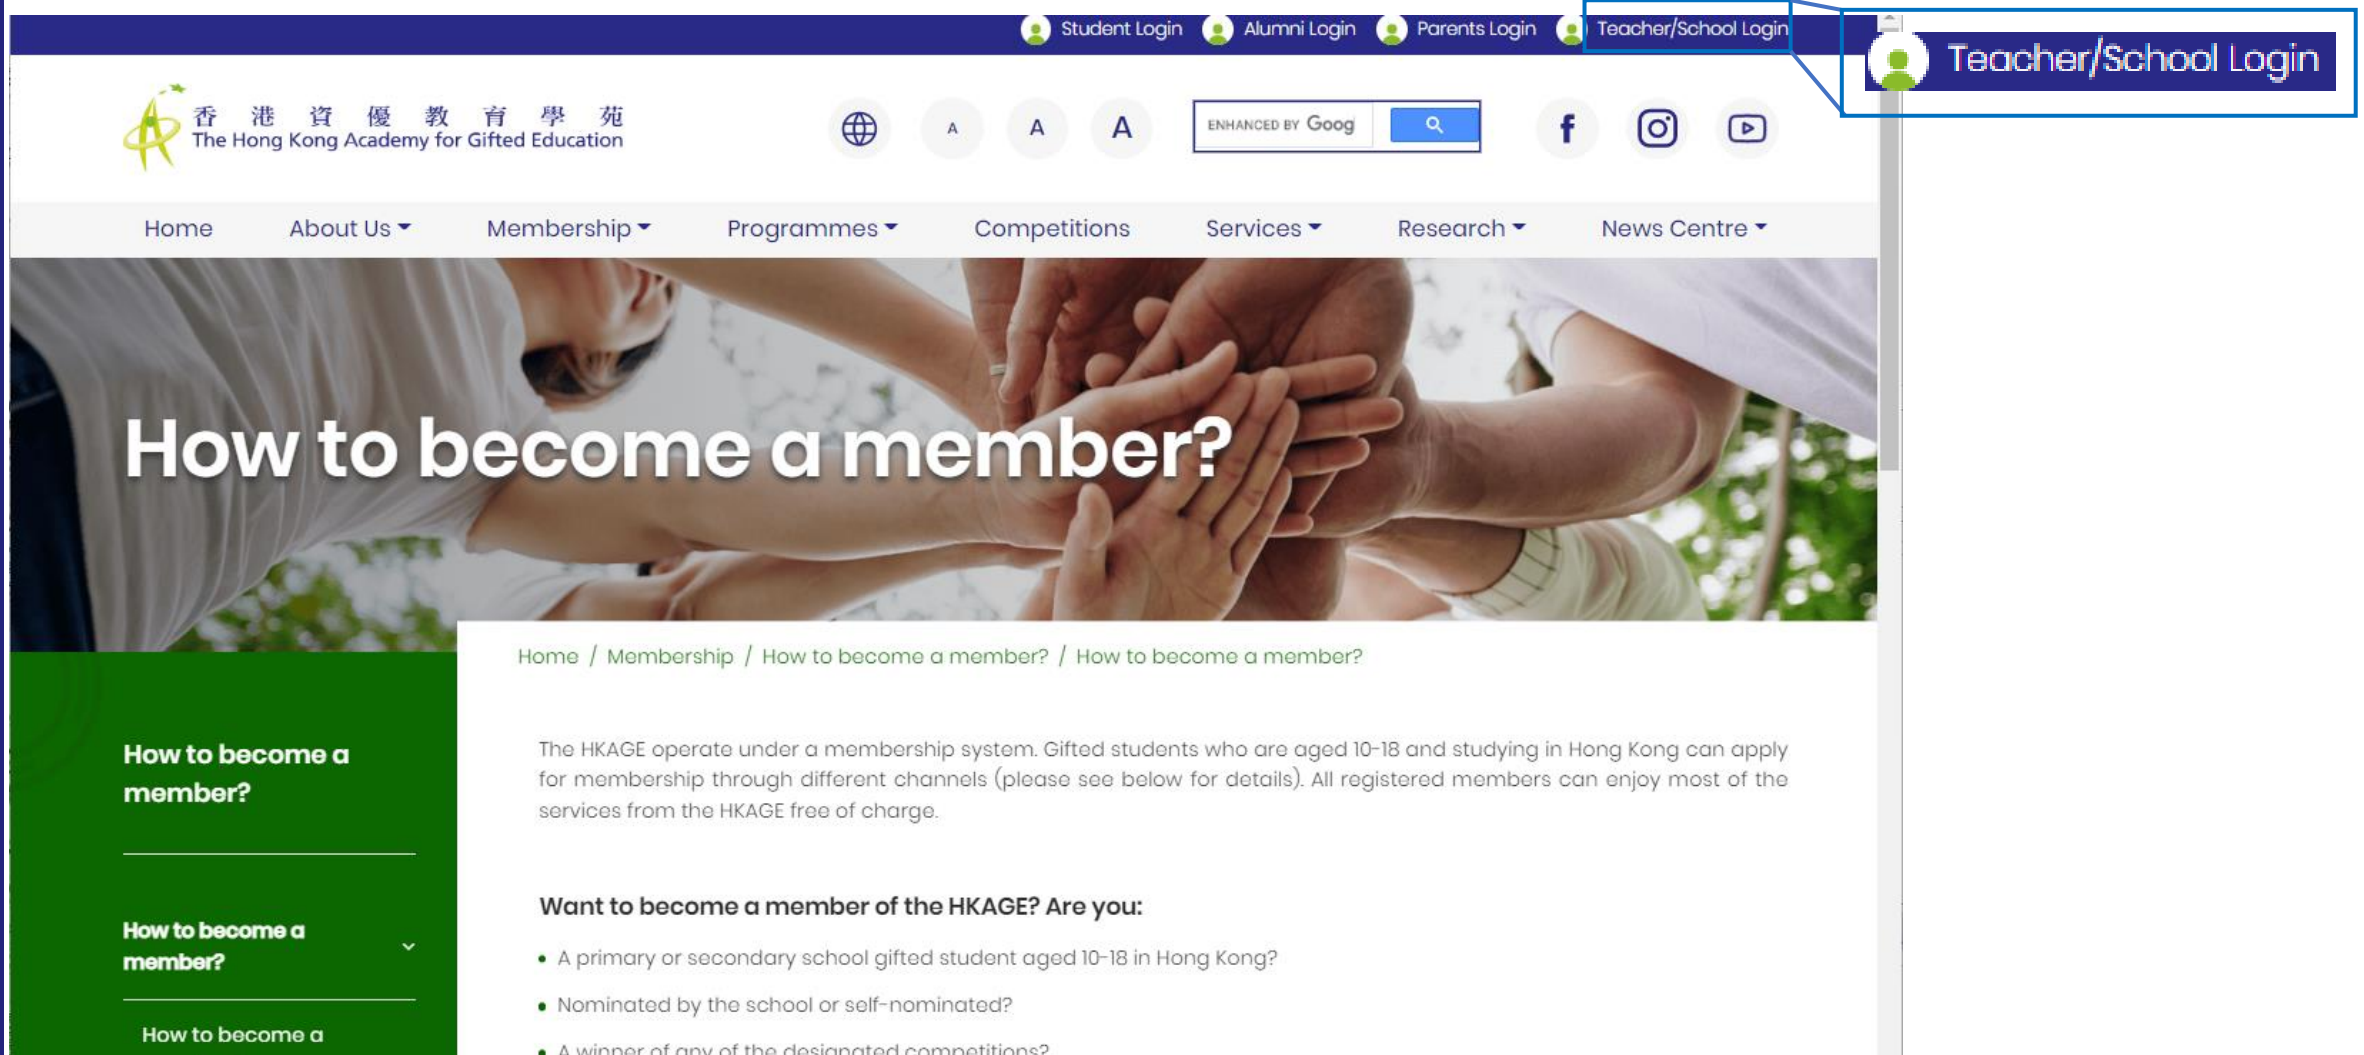

- Successfully complete at least ONE programme/activity within each school year
- Any programmes/activities listed on the Student Learning Profile will be counted
- The review period for each school year runs from **1 September to 31 August of the following year**

「校長提名」
"Principal's Nomination"

由2022/23學年開始，於「學校提名」計劃中，將增設「校長提名」措施來取錄具有卓越領導力的學生。每間中學可提名一位中二至中四的同學，毋須修讀「甄選課程」，直接向學苑提交個人檔案於第二階段進行甄選。

Start from the 2022/23 school year, the "Principal's Nomination" is added to enhance "School Nomination" for students who are gifted in leadership. Each secondary school can nominate one potential student of Secondary 2 to Secondary 4 to the HKAGE. Nominated students, being exempt from the Stage 1 screening, will be invited to submit their personal profiles for assessment as required in Stage 2.
