Sharing of Resources from the Gifted Education School Network

The goal of the Gifted Education School Network (Network) is to promote professional exchanges and sharing of experience among schools with a view to facilitating holistic planning and sustainable development of school-based gifted education.

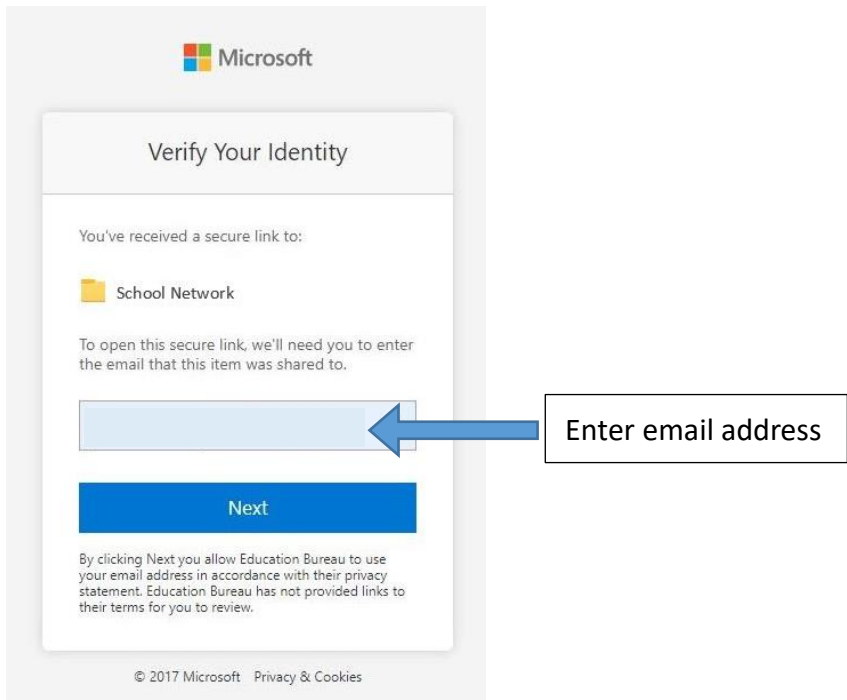

Through fruitful exchanges among teachers in the Network, they have developed learning and teaching exemplars on different topics and consolidated some practical experience for reference of members.

Network members may use their registered email addresses to get access to the **Member Zone**. They can browse the experience-sharing articles as well as the learning and teaching exemplars contributed by members of the Network.

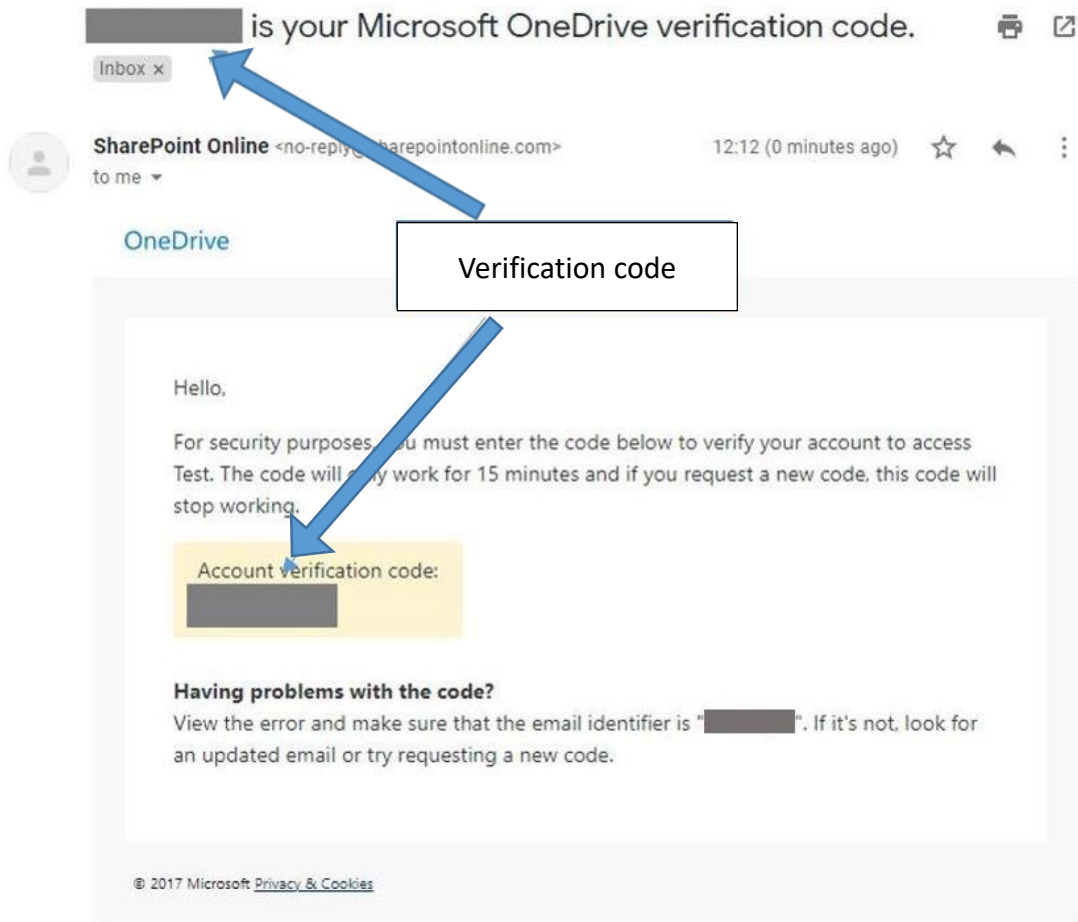

Teachers NOT from the above Network may also apply for registration. For details about how to access the **Member Zone**, privacy policy and related terms and conditions, please read the **User Manual**. If there is any enquiry, please contact Mr. KWONG Siu Wah, Daniel (Tel.: 3698 3480).

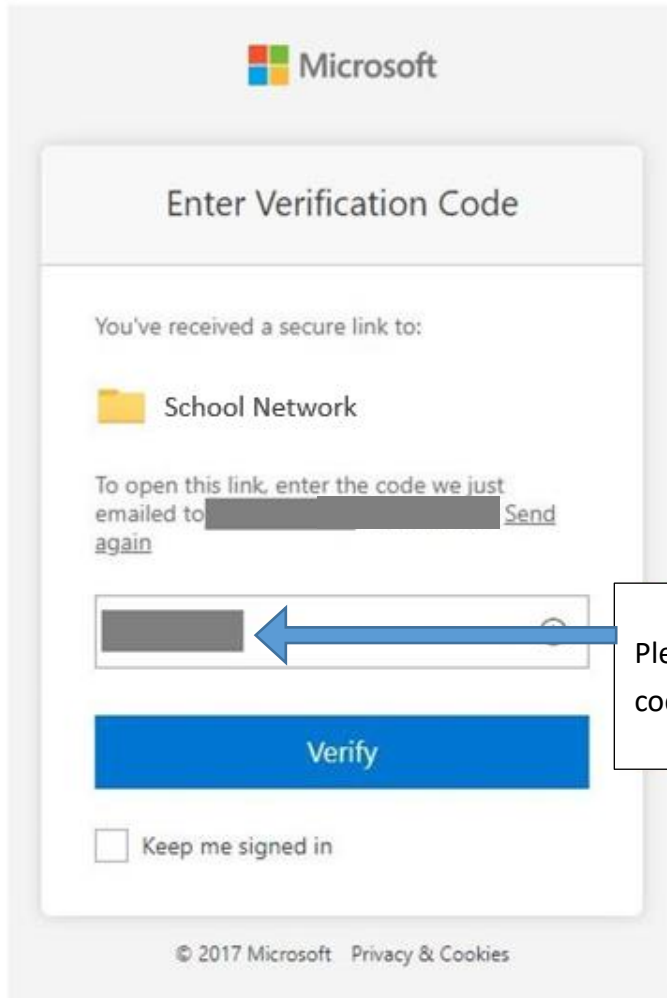

2 On the verification page, please enter the email address you provided to our Section, then click "Next".

3 An email with your account verification code will be sent to you. (If you did not receive the verification code, please check the spam folder.)

4 Please return to the verification page and enter the verification code.

Please enter the verification code, and click "Verify".

5 After completing the verification, you can browse relevant learning and teaching resources from Gifted Education School Network.
