

# Guidance Notes on Application for Mainland University Study Subsidy Scheme 2019/20

---

## 1. Mainland University Study Subsidy Scheme

The Mainland University Study Subsidy Scheme (MUSSS) aims to support Hong Kong students in pursuing undergraduate studies in the Mainland and ensure that no students will be deprived of post-secondary education opportunity due to a lack of means. The MUSSS comprises two components: “means-tested subsidy” (eligible students who have passed a means test will receive either a full-rate subsidy or a half-rate subsidy, depending on their needs) and “non-means-tested subsidy”. For the 2019/20 academic year, the full-rate subsidy and half-rate subsidy are HK\$16,800 and HK\$8,400 per annum respectively. The “non-means-tested subsidy” offers a flat rate subsidy of HK\$5,600. The subsidy is granted on a yearly basis. The subsidised period is the normal duration of the undergraduate programme pursued by the student concerned in a designated Mainland institution. Eligible applicants can only receive either a means-tested subsidy or a non-means-tested subsidy in a given academic year. The MUSSS is not subject to any quota.

For the 2019/20 academic year, there are 181 designated Mainland institutions (see **Attachment I**), of which 112 have participated in the 2019/20 Admission Scheme and 69 the others.

The MUSSS is administered by the Education Bureau (EDB) of the Hong Kong Special Administrative Region Government. The Student Finance Office (SFO) under the Working Family and Student Financial Assistance Agency is responsible for conducting means tests for families applying for the “means-tested subsidy”, while an agency appointed by the EDB assists in verifying students’ admission status, disbursing subsidy, etc. The subsidy is granted on a yearly basis until the end of the normal duration of the undergraduate programme pursued by the student concerned in a designated Mainland institution.

## 2. Eligibility

The EDB will verify and confirm whether or not an applicant meets the eligibility criteria stated below according to the information entered in the application form and provided by the applicant:

### “Means-tested subsidy”

Students meeting the following criteria may apply for the “means-tested subsidy” for the 2019/20 academic year:

- (a) having right of abode or right to land in, or have entered Hong Kong on One-way Permits;
- (b) receiving and having completed senior secondary education in Hong Kong, whether local or non-local curricula; and
- (c) pursuing undergraduate studies in any of the designated Mainland institutions listed in **Attachment I** in the 2019/20 academic year.

### “Non-means-tested subsidy”

Students meeting the following criteria may apply for the “non-means-tested subsidy” for the 2019/20 academic year:

- (a) having right of abode or right to land in, or have entered Hong Kong on One-way Permits;
- (b) receiving and having completed senior secondary education in Hong Kong, whether local or non-local curricula;
- (c) pursuing undergraduate studies in any of the designated Mainland institutions listed in **Attachment I** in the 2019/20 academic year; and
- (d)(1) attained “3322” in the Hong Kong Diploma of Secondary Education (HKDSE) Examination, i.e. attained Level 3 for Chinese Language and English Language and Level 2 for Mathematics and Liberal Studies; **OR**
- (d)(2) pursuing studies in Huaqiao University through “Pilot Scheme on the Articulation of Hong Kong Sub-degree Graduates to Huaqiao University”.

**All eligible students may submit application for the MUSSS, subject to the following definition of “applicant”:**

1. Students aged 18 or above shall be deemed “the applicant”.
2. For students aged under 18, their father/mother/guardian shall act as “the applicant”.

### 3. Means test (applicable to the “means-tested subsidy”)

**3.1** Applicants of the “means-tested subsidy” are subject to a means test. The SFO is responsible for conducting the means test for the families of the “means-tested subsidy” applicants and submitting reports to the EDB on the financial position of the families concerned. The means test takes into account family income but not assets.

#### 3.2 Assessment method and level of subsidy

1. The SFO uses the “Adjusted Family Income” (AFI) mechanism to conduct the means test so as to assess the eligibility of a student and his/her level of subsidy under the MUSSS.
2. The AFI mechanism adopts the following formula:

$$\text{AFI} = \frac{\text{Gross annual income of the family}}{\text{Number of family members} + (1)}$$

3. Gross annual income of the family includes the annual income of the student’s father, mother or guardian and his/her spouse; 30% of the annual income of unmarried sibling(s) residing with the parent(s) of the student (if applicable); the contribution from relatives/friends (if applicable); and other income (for example, rent and interest income derived from fixed deposits, stocks, bonds, etc.).
4. Members of a family normally refer to the student, the student’s father/mother or guardian and his/her spouse, the unmarried sibling(s) residing with the parent(s) of the student, and the dependent grandparent(s) of the student.
5. For single-parent families of 2 to 3 members, the “plus 1” factor in the divisor of AFI formula will be increased to 2.
6. Since the means test is on a household basis, the members and composition of the student’s family will directly affect the AFI of the student. If the unmarried child/children residing with the parent(s)/guardian of the student as named in Part II of the Means Test Assessment Form (M2) is/are not the parent(s)/guardian’s biological child/children, explanation must be provided separately when submitting the application.

#### 7. Eligibility and level of subsidy

The AFI eligibility benchmarks for various levels of subsidy in the 2019/20 academic year are listed in the table below (*please note that the AFI is not the average monthly income of a family*).

2019/20 academic year – AFI Groups between(\$)	Level of subsidy
0 – 40,240	Full *
40,241 – 77,810	Half
> 77,810	Ineligible ( unsuccessful application)

\* The AFI thresholds for full-rate subsidy for 3 and 4-member families are \$48,715 and \$44,818 respectively in the 2019/20 academic year. For 2 and 3-member single-parent families, they are regarded as 3 and 4-member families respectively for determining the AFI thresholds for full-rate subsidy and calculation of the AFI (see Examples 1–3 below).

#### Example 1: 3-member families and 2-member single-parent families

2019/20 academic year – AFI Groups between(\$)	Level of subsidy
0 – 48,715	Full
48,716 – 77,810	Half
> 77,810	Ineligible (unsuccessful application)

Example 2: 4-member families and 3-member single-parent families

2019/20 academic year – AFI Groups between(\$)	Level of subsidy
0 – 44,818	Full
44,819 – 77,810	Half
> 77,810	Ineligible (unsuccessful application)

Example 3: General (Except 3 and 4-member families, and 2 and 3-member single-parent families set out in Examples 1 and 2 above)

2019/20 academic year – AFI Groups between(\$)	Level of subsidy
0 – 40,240	Full
40,241 – 77,810	Half
> 77,810	Ineligible (unsuccessful application)

**8. Assessment procedures**

The SFO will assess the financial position of the family based on the information provided by the father/mother or guardian of the student, and if necessary, reference will be made to the information provided by the father/mother or guardian of the student when applying for other financial assistance schemes administered by the SFO. Generally, if the student is assessed as eligible for full/half subsidy according to the AFI, and it has been verified and confirmed that he/she meets the eligibility criteria stated in Paragraph 2 above, he/she shall be eligible for the subsidy under the MUSSS. The SFO will submit an assessment report to the EDB setting out the eligibility and the level of subsidy to be granted to a student based on the results of the means test. The EDB appointed agency will then verify the student's admission information with the Mainland institution concerned. Disbursement of the subsidy to eligible students through the EDB appointed agency is subject to the EDB's final approval.

**4. Approval and disbursement of subsidy**

The EDB appointed agency will verify the student's admission information with the Mainland institution concerned. Subject to the EDB's final assessment, disbursement of subsidy to eligible students would be made through the EDB appointed agency. The EDB reserves the right of final decision on matters relating to subsidy disbursement and approval of renewal applications.

## 5. Provision/handling of personal data

- 5.1 It is the responsibility of the student/applicant to complete the application form fully and truthfully and provide all supporting documents to facilitate the assessment of his/her eligibility and the level of subsidy to be granted based on the information therein by the EDB/SFO/EDB appointed agency. Insufficient information or misrepresentation of facts will render the application disqualified for further processing. The EDB/SFO/EDB appointed agency may require the student/applicant to provide additional information for verification if necessary.
- 5.2 The personal data provided in this application form will be disclosed to the SFO/agents of SFO/EDB appointed agency for the following application-related purposes:
1. for processing and verifying the application, and processing renewal application during the normal duration of study;
  2. for obtaining supplementary information from the student/applicant as and when necessary for matching his/her personal data with the record on the database of the SFO and Social Welfare Department to ensure consistency;
  3. for the EDB appointed agency to confirm the students' admission status with the designated Mainland institutions and disburse the subsidy to eligible students;
  4. for conducting statistical surveys and research, and handling matters related to pursuing further studies in the Mainland; and
  5. for processing applications for other student financial assistance schemes by the EDB/SFO/EDB appointed agency/agents of SFO/relevant bureaux/government departments.
- 5.3 The personal data and all supplementary information provided by the student/applicant in this application form may be disclosed to government bureaux/departments and relevant institutions or organisations concerned for the purposes stated in Paragraph 5.2 above; or where the student/applicant and his/her family member(s) have given consent to such disclosure; or where such disclosure is authorised or required by law. If necessary, the SFO may contact other government bureaux/departments and relevant organisations, including the employer(s) of the family member(s) of the student/applicant applying for the "means-tested subsidy" to authenticate the information provided by the student/applicant or to collect additional information for the purpose of conducting the means test. Misrepresentation or concealment of facts will lead to disqualification of the student/applicant.
- 5.4 In accordance with the Personal Data (Privacy) Ordinance, any student/applicant has the right to obtain access and make corrections to his/her personal data with the EDB/SFO upon proving that he/she is the data subject. Written request to access to/obtain/correct personal data or records kept by the EDB or SFO may be sent to the Education Bureau at P.O. Box No. 23448, Wan Chai Post Office, to the attention of the Officer-in-Charge of MUSSS.

## 6. Application procedures, points to note and disbursement of subsidy

- 6.1 Application Form for Mainland University Study Subsidy Scheme (M1), Means Test Assessment Form (M2), Guidance Notes (M3) and the relevant attachments can be downloaded from the EDB website ([www.edb.gov.hk/musss19](http://www.edb.gov.hk/musss19)) and SFO website ([www.wfsfaa.gov.hk/sfo/en/forms/listing3.htm](http://www.wfsfaa.gov.hk/sfo/en/forms/listing3.htm)).
- 6.2 **Applicants should read the Guidance Notes carefully before completing the application form.** For eligible students entered the designated Mainland institutions before the 2019/20 academic year, the deadline for submission of application is **2 August 2019**. For those who will first enter the designated Mainland institutions in the 2019/20 academic year, the deadline is **2 September 2019**. The completed application form, together with the relevant supporting documents, should be sent to the Education Bureau, P. O. Box No. 23448, Wan Chai Post Office (please specify on the envelope "Application for MUSSS") by the above deadlines (see the addressed envelope in **Attachment II**).
- 6.3 The EDB/EDB appointed agency will notify the applicants of the results of their applications **by phases** between **December 2019 and March 2020**. For successful applications, the subsidy will be disbursed by direct transfer to the bank account stated in Part I of the application form. The EDB will process applications received on a first-come-first-served basis.

- 6.4** Eligible students applying for the “means-tested subsidy” are subject to a means test only at the time of first application, and will not be required to undergo means test annually during the normal duration of their undergraduate studies, unless there are substantial changes in their family circumstances that warrant a reassessment. Students only have to declare in writing annually that there are no substantial changes in their family circumstances to continue to receive the subsidy based on their previously approved eligibility and levels of subsidy until the end of the normal duration of their undergraduate studies in designated Mainland institutions. To verify the truthfulness and completeness of the information provided by the students, the EDB/SFO will conduct random checks on some of the successful applications every year. The EDB/SFO staff may seek clarifications of the application data or request additional information from the father/mother/guardian of the student to verify his/her eligibility or level of subsidy. They may also examine the originals of all supporting documents. It is the responsibility of the father/mother/guardian of the student to retain all supporting documents of the application for at least two years, and cooperate with the EDB/SFO staff. **Intentional obstruction to the EDB/SFO staff during verification, concealment of information, or failure to provide the information required will lead to restitution in full of the subsidy granted and possible prosecution.**
- 6.5** Eligible students applying for the “non-means-tested subsidy” are required to submit their applications once only during the normal duration of their undergraduate studies. Students have to declare in writing annually thereafter that there is no change in their study status and that they wish to continue to receive the subsidy for them to keep the subsidy until the end of the normal duration of their undergraduate studies in designated Mainland institutions.
- 6.6** If a student receiving the subsidy fails to complete his/her undergraduate study within the normal duration of the programme concerned, the EDB will generally not subsidise the length of study beyond the normal duration. Nevertheless, the EDB will consider, on a case-by-case basis, the provision of subsidy for the length of study beyond the normal duration if the student extends his/her duration of study under special circumstances. Besides, the EDB has the right to withhold/deduct/limit the amount of subsidy to be granted to the student for a given year, and require a refund to the HKSAR Government in full/in part/the overpaid amount of the subsidy granted within the specified time limit if during the duration of study the student:
- (a) has been suspended/expelled by the institution or has withdrawn from study;
  - (b) has been transferred to a non-designated Mainland institution;
  - (c) has lost the right of abode or the right to land in Hong Kong;
  - (d) is no longer eligible for the subsidy or the level of subsidy as assessed by the means test (applicable to those receiving the “means-tested subsidy”); or
  - (e) has failed to meet other eligibility criteria under the MUSSS.

Under any of the above circumstances, the EDB reserves the right to decide ultimately whether or not to continue subsidising the student concerned under the MUSSS.

Our general principles on refund of the overpaid amount of the subsidy granted are that for cases related to (a), if the recipient has already studied for three months or more in the concerned academic year, favourable consideration would be given to waive the refund, subject to reasonable justifications put up by the student. If refund is requested, any paid and non-refundable tuition fees and hostel fees may be deducted from the amount to be refunded; for other cases, action will be taken to require refund in full or in part (as appropriate) of the subsidy granted as a general rule, save for very exceptional circumstances which will only be considered on a case-by-case basis.
