

## Guidance Notes on Application for Mainland University Study Subsidy Scheme 2017/18

---

### 1. Mainland University Study Subsidy Scheme

In his 2014 Policy Address, the Chief Executive announced a series of initiatives in a bid to provide senior secondary graduates with broader and more diversified further study pathways both in and outside Hong Kong. These include, among others, the introduction of the Mainland University Study Subsidy Scheme (MUSSS) to support needy students to pursue studies under the Scheme for Admission of Hong Kong Students to Mainland Higher Education Institutions (Admission Scheme). Eligible students may receive financial assistance of up to HK\$15,000 per year during the normal duration of the programmes concerned. The MUSSS is not subject to any quota. To better support Hong Kong students in pursuing undergraduate studies in the Mainland and ensure that no student will be deprived of post-secondary education opportunity due to a lack of means, the funding scope of the MUSSS has been expanded from the 2016/17 academic year to cover all financially needy Hong Kong students pursuing undergraduate studies in designated Mainland institutions, irrespective of the channels of their admission to the institutions.

For the 2017/18 academic year, the 156 designated institutions (see **Attachment I**) include 90 Mainland institutions participating in the Admission Scheme in the 2017/18 academic year and another 66 institutions under “Project 985” and/or “Project 211” of the Mainland authorities which have not participated in the Admission Scheme.

The MUSSS is administered by the Education Bureau (EDB) of the Hong Kong Special Administrative Region Government. The Student Finance Office (SFO) (under the Working Family and Student Financial Assistance Agency) is responsible for conducting means test and an agency appointed by the EDB assists in verifying students’ admission status, disbursing subsidy, etc. The subsidy is granted on a yearly basis. Students who meet the eligibility criteria will each receive either a full-rate subsidy of HK\$15,000 or a half-rate subsidy of HK\$7,500 per year until the end of the normal duration of the undergraduate programmes pursued in the designated Mainland institution.

### 2. Eligibility, means test and level of subsidy

#### 2.1 Eligibility

To be eligible for the MUSSS 2017/18, a student will have to satisfy the following criteria:

- (a) having the right of abode or the right to land in Hong Kong, or have entered Hong Kong on a One-way Permit;
- (b) receiving and having completed senior secondary education in Hong Kong, including those studying local or non-local curricula in Hong Kong; and
- (c) pursuing undergraduate studies in any of the 156 designated Mainland institutions listed in **Attachment I** in the 2017/18 academic year.

#### 2.2 All eligible students may submit application for the MUSSS, subject to the following definition of “applicant” :

1. For students aged 18 or above, they shall be deemed as “the applicant”.
2. For students aged under 18, their parent/guardian shall act as “the applicant”.

#### 2.3 Means test

Given the objective of the MUSSS to support financially needy Hong Kong students to pursue undergraduate studies in the Mainland, all applicants are subject to means test. The SFO is responsible for conducting the means test for the families of applicants and submitting reports to the EDB on the financial position of the families concerned. The means test takes into account the income of the families concerned, but not their assets.

#### 2.4 Assessment method and level of subsidy

1. The SFO will use the “Adjusted Family Income” (AFI) mechanism to conduct the means test so as to assess the eligibility of a student and his/her level of subsidy under the MUSSS.
2. The AFI mechanism adopts the following formula:

$$\text{AFI} = \frac{\text{Gross annual income of the family}}{\text{Number of family members} + (1)}$$

3. Gross annual income of the family includes the annual income of the parent or guardian of the student, 30% of the annual income of unmarried sibling(s) residing with the parent of the student (if applicable); the contribution from relatives / friends (if applicable); and other income (for example, rent and interest from fixed deposits, stocks, bonds, etc.).
4. The members of a family normally refer to the student, the parent or guardian of the student, the unmarried sibling(s) residing with the parent of the student, and the dependent grandparent(s) of the student.
5. For single-parent families of 2 to 3 members, the “plus 1” factor in the divisor of AFI formula will be increased to 2.
6. Since the means test is on a household basis, the members and composition of the student’s family will directly affect the AFI of the student. If the unmarried child/children residing with the parent/guardian of the student as stated in Part II of the Means Test Assessment Form (M2) is/are not the parent/guardian’s self-bearing child/children, explanation must be provided separately when submitting the application.

#### 7. Eligibility and level of subsidy

The AFI eligibility benchmarks for various levels of subsidy in the 2017/18 academic year are listed in the table below (*please note that the AFI is not the average monthly income of a family*).

2017/18 academic year – AFI Groups between(\$)	Level of subsidy
0 - 38,603	Full *
38,604 - 74,644	Half
> 74,644	Ineligible (application not successful)

\* AFI thresholds for full level of subsidy for 3-member and 4-member families are \$46,733 and \$42,995 respectively in the 2017/18 academic year. For 2-member single-parent families and 3-member single-parent families, they are regarded as 3-member families and 4-member families respectively for determining the AFI thresholds for full level of subsidy and calculation of AFI (see Examples 1 – 3 below).

#### Example 1 : 3-member families and 2-member single-parent families

2017/18 academic year – AFI Groups between(\$)	Level of subsidy

**8. Assessment procedures**

The SFO will assess the financial position of the family based on the information provided by the parent or guardian of the student and if necessary, reference will be made to the information provided by the parent or guardian of the student in the application for other financial assistance schemes administered by the SFO. Generally, if the student is assessed as eligible for full/half level of subsidy according to the AFI, and it has been verified and confirmed that the student meets the eligibility criteria stated in Paragraph 2.1 above, the student shall be eligible for the subsidy under the MUSSS.

**9. Final approval and disbursement of subsidy**

The subsidy will be disbursed upon the approval of the EDB. The EDB reserves the right to make final decision on subsidy disbursement and granting approval for renewal applications.

**3. Provision/handling of personal data**

- 3.1** It is the responsibility of the applicant to complete the application form fully and truthfully and provide all supporting documents to facilitate the assessment of his/her eligibility and the level of subsidy to be granted based on the information therein by EDB/SFO/EDB appointed agency. Insufficient information or misrepresentation of facts will render the application disqualified for further processing. The EDB/SFO/EDB appointed agency may require the student /applicant to provide additional information for verification if necessary.
- 3.2** The personal data provided in this application form will be disclosed to the SFO/agents of SFO/EDB appointed agency for the following purposes related to the application:

If necessary, the SFO will contact the government/ departments and relevant institutions or organisations, including the employer(s) of the applicants and his/her family member(s), to authenticate the information provided in the application. Any misrepresentation or concealment of facts will lead to disqualification.
- 3.4** The SFO will submit assessment report to the EDB setting out the eligibility and the level of subsidy to be granted to an applicant based on the result of the means test. The EDB appointed agency will then verify the student's admission information with Mainland institution concerned. Disbursement of the subsidy to eligible applicants through the EDB appointed agency is subject to EDB's final approval.

**3.5** In accordance with the Personal Data (Privacy) Ordinance, any student /applicant has the right to obtain access and make corrections to his/her personal data with the EDB/SFO upon proving that he/she is the data subject. Written request to access/obtain/correct personal data or records kept by the EDB or SFO may be sent to Officer-in-charge of MUSSS, Higher Education Division, Education Bureau, 30/F, E-Trade Plaza, 24 Lee Chung Street, Chai Wan, Hong Kong.

**4.2** **Please read the Guidance Notes carefully** before completing the application form. For students who entered the designated Mainland institutions before the 2017/18 academic year, the deadline for the submission of applications is **31 July 2017**. For those who will first enter the designated Mainland institutions in the 2017/18 academic year, the deadline for the submission of applications is **31 August 2017**. The completed application form, together with copies of the relevant supporting documents, should be sent by post to **Higher Education Division, Education Bureau, 30/F, E-Trade Plaza, 24 Lee Chung Street, Chai Wan, Hong Kong** (please specify "Application for MUSSS") by the deadlines specified above (see the addressed envelope in **Attachment II**).

For successful applications, the subsidy will be disbursed by direct transfer to the bank account stated in Part I of the application form. The EDB will process applications received on a "first-come-first-served" basis.

**4.4** Eligible students **only need to submit application once during the normal duration of their undergraduate studies. Thereafter, they are required to declare in writing their family status annually.** Unless there are substantial changes that may affect their eligibility or level of subsidy, **recipients may continue to receive** the subsidy based on their previously-approved eligibility and level of subsidy until the end of the normal duration of their undergraduate studies. As a measure to verify the truthfulness and completeness of the information provided by the applicant, the EDB/SFO will conduct counter-checking on some of the successful applications. The EDB/SFO staff may seek clarifications of the application data and require additional information. They may also examine the originals of all supporting documents. Intentional obstruction to the EDB/SFO staff in their course of verification, concealment of facts or failure to provide the information required will lead to restitution in full of the subsidy granted and possible prosecution.

**4.5** If a student receiving the subsidy fails to complete the programme within the normal duration of the programme concerned, in general, the length of study beyond the normal duration will not be subsidised by the EDB. (The EDB will consider on a case-by-case basis the provision of subsidy for the length of study beyond the normal duration only when the student extends his/her duration of study under special circumstances). Besides, if any of the following changes occur during the duration of study of a student, the EDB has the right to withhold/deduct/limit the amount of subsidy to be granted to the applicant for the year concerned and require the applicant to refund the HKSAR Government in full/part/the overpaid amount of the subsidy granted within the specified time limit:
