As the normally bustling canals of Venice became deserted amid pandemic quarantines, viral social media posts claimed swans and dolphins were returning to the waters. It wasn't true. The canal water, nonetheless, is clearer because of the decrease in boat activity.

Bill Gates' views on the Coronavirus...

"What is the Corona/ Covid-19 Virus Really Teaching us?

I'm a strong believer that there is a spiritual purpose behind everything that happens, whether that is what we perceive as being good or being bad.

As I meditate upon this, I want to share with you what I feel the Corona/ Covid-19 virus is really doing to us:

- 1. It is reminding us that we are all equal, regardless of our culture, religion, occupation, financial situation or how famous we are. This disease treats us all equally, perhaps we should to. If you don't believe me, just ask Tom Hanks.
- 2. It is reminding us that we are all connected and something that affects one person has an effect on another. It is reminding us that the false borders that we have put up have little value as this virus does not need a passport. It is reminding us, by oppressing us for a short time, of those in this world whose whole life is spent in oppression.
- 3. It is reminding us of how precious our health is and how we have moved to neglect it through eating nutrient poor manufactured food and drinking water that is contaminated with chemicals upon chemicals. If we don't look after our health, we will, of course, get sick.
- 4. It is reminding us of the shortness of life and of
