Only the brighter kids  
answer all the questions.  
I can't tell if the rest of  
the class understand.

## School Picnic

Last week, was school picnic of QualiEd College. I am a S.1 student. We went to Yuen Long Tai Tong. It was beautiful and interesting. We were in the camp on Thursday and Friday. First, we played team activities. It was exciting and we could learn team work. Next, we prepared the barbecue food. Then, we started the barbecue. After the barbecue, we went to the dormitory.

Next day, we got up at 7:00am. We packed up the luggage and got ready to leave. Then, we had breakfast in canteen. After that, we went to play survival skill. This was challenging and we learned cooperation. Finally, we went to the canteen to have lunch.

During these two days, I learned many good things. For example, cooperation, team work and listening skill. I want to go to there again.
