

What does a
RED or **BLACK**
rainstorm
warning signal
mean to you?

When school is in session —

You should continue the lessons until the end of normal school hours and return home when the conditions are safe.

Parents need not pick up their children immediately.

What does a
RED or **BLACK**
rainstorm
warning signal
mean to you?

When you have already set out for school —

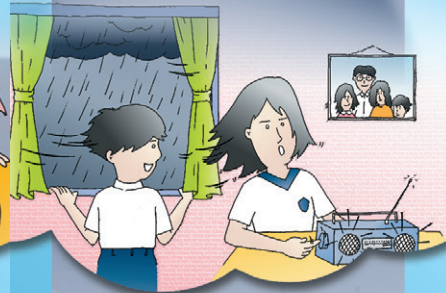

Classes will be suspended. You should decide whether to continue your journey to school in light of rainfall and road, slope or traffic conditions. Schools will remain open and you will be looked after.

Upon arrival at school, stay there until it is safe for you to return home.

Pay attention to announcements on radio, TV or via "GovHK Notifications" application.
