I'm glad that the school held a Janitors' Day. It is very meaningful and thoughtful. Janitors work for the school to keep it clean, tidy and beautiful. It is a very hard work to them, and that's why we need to give a thank for them. I just want to say a big thank you to the janitors who have worked so hard for us. The Janitors' Day is a great opportunity for us to thank all of the janitors. I saw the gifts and the bulletin boards that the students have made, they are so beautiful and that make the janitors feel touching and happy. After the janitors received the gifts, I can see their charming and smiling faces. It shows that our work can give them happiness by just giving some little gifts, maybe just a hug, that's the thing the janitors need to be happy. I'm so happy to participate this event and I hope the janitors can have a wonderful life with us.

Reflection:

入學校大門之前見到老師，同學都會主動打招呼，相反見到工友就會順其自然地無視了他們。有時候他們所講的每一句說話，我們都會當作「耳邊風」。例如工友多番提醒我們放學前把垃圾清理，把課室的桌椅排好，但係每次上課後，課室就像一個亂葬崗。而工友就每天留校幫忙清潔。他們一直對我們無私的奉獻，往往得不到公平的對待。為了感謝這一班一直為我們服務的工友，學校舉辦工友日。當我站在台上看着他們為我們工作的片段，我感到非常慚愧，因為我一直忽略了他們對校園的貢獻，我希望可以藉著這個工友日，令全校的同學向工友們致敬，而且向他們說一聲：「謝謝您」。

LTPSS

An artistic illustration of a female teacher with long dark hair and glasses, wearing a grey blazer over a light blue shirt. She is smiling and looking down at an open book she is holding. The book's pages are glowing with a warm orange light, and a large, semi-transparent teal circle is centered on the left page. The background is dark with diagonal grey stripes. Numerous autumn leaves in shades of green, yellow, and red are scattered around the teacher and the book. Soft, out-of-focus teal and green bokeh lights are also present. In the bottom right corner, the text 'LTPSS Teacher APPREciation DAY' is written in a white, handwritten-style font.

You're an AMAZING teacher!

LTPSS Teacher
APPREciation

Teachers were invited to provide us with their childhood picture and also a paragraph about the teacher they respected most.
